BAYLOR UNIVERSITY

Baylor University, founded in 1845, is the oldest university in continuous existence in Texas. First chartered by the Republic of Texas, Baylor has grown from a one-teacher, one-building school at Independence, Texas, to become the largest Baptist university in the world.

The University, under the motto, "Pro Ecclesia, Pro Texana" (for church, for state), was named after Judge Robert Emmett Bledsoe Baylor, supreme court justice of the Republic of Texas. Baylor, a veteran of the War of 1812 and member of the Kentucky and Alabama Legislatures before moving to Texas in 1839, founded the University along with the Rev. William M. Tryon, a native of New York City, and the Rev. James E. Huckins, native of New Hampshire, the first two Baptist missionaries to Texas.

These three men had a dream that came true—to establish a Baptist university where their children would be well educated in a Christian tradition.

Today, Baylor is 11,000 students strong and is regarded as one of the outstanding major universities in the country. It is located off Interstate Highway 35 on the banks of the Brazos River in Waco, a city of about 100,000 persons in Central Texas. It's about half the distance between Fort Worth-Dallas and Austin.

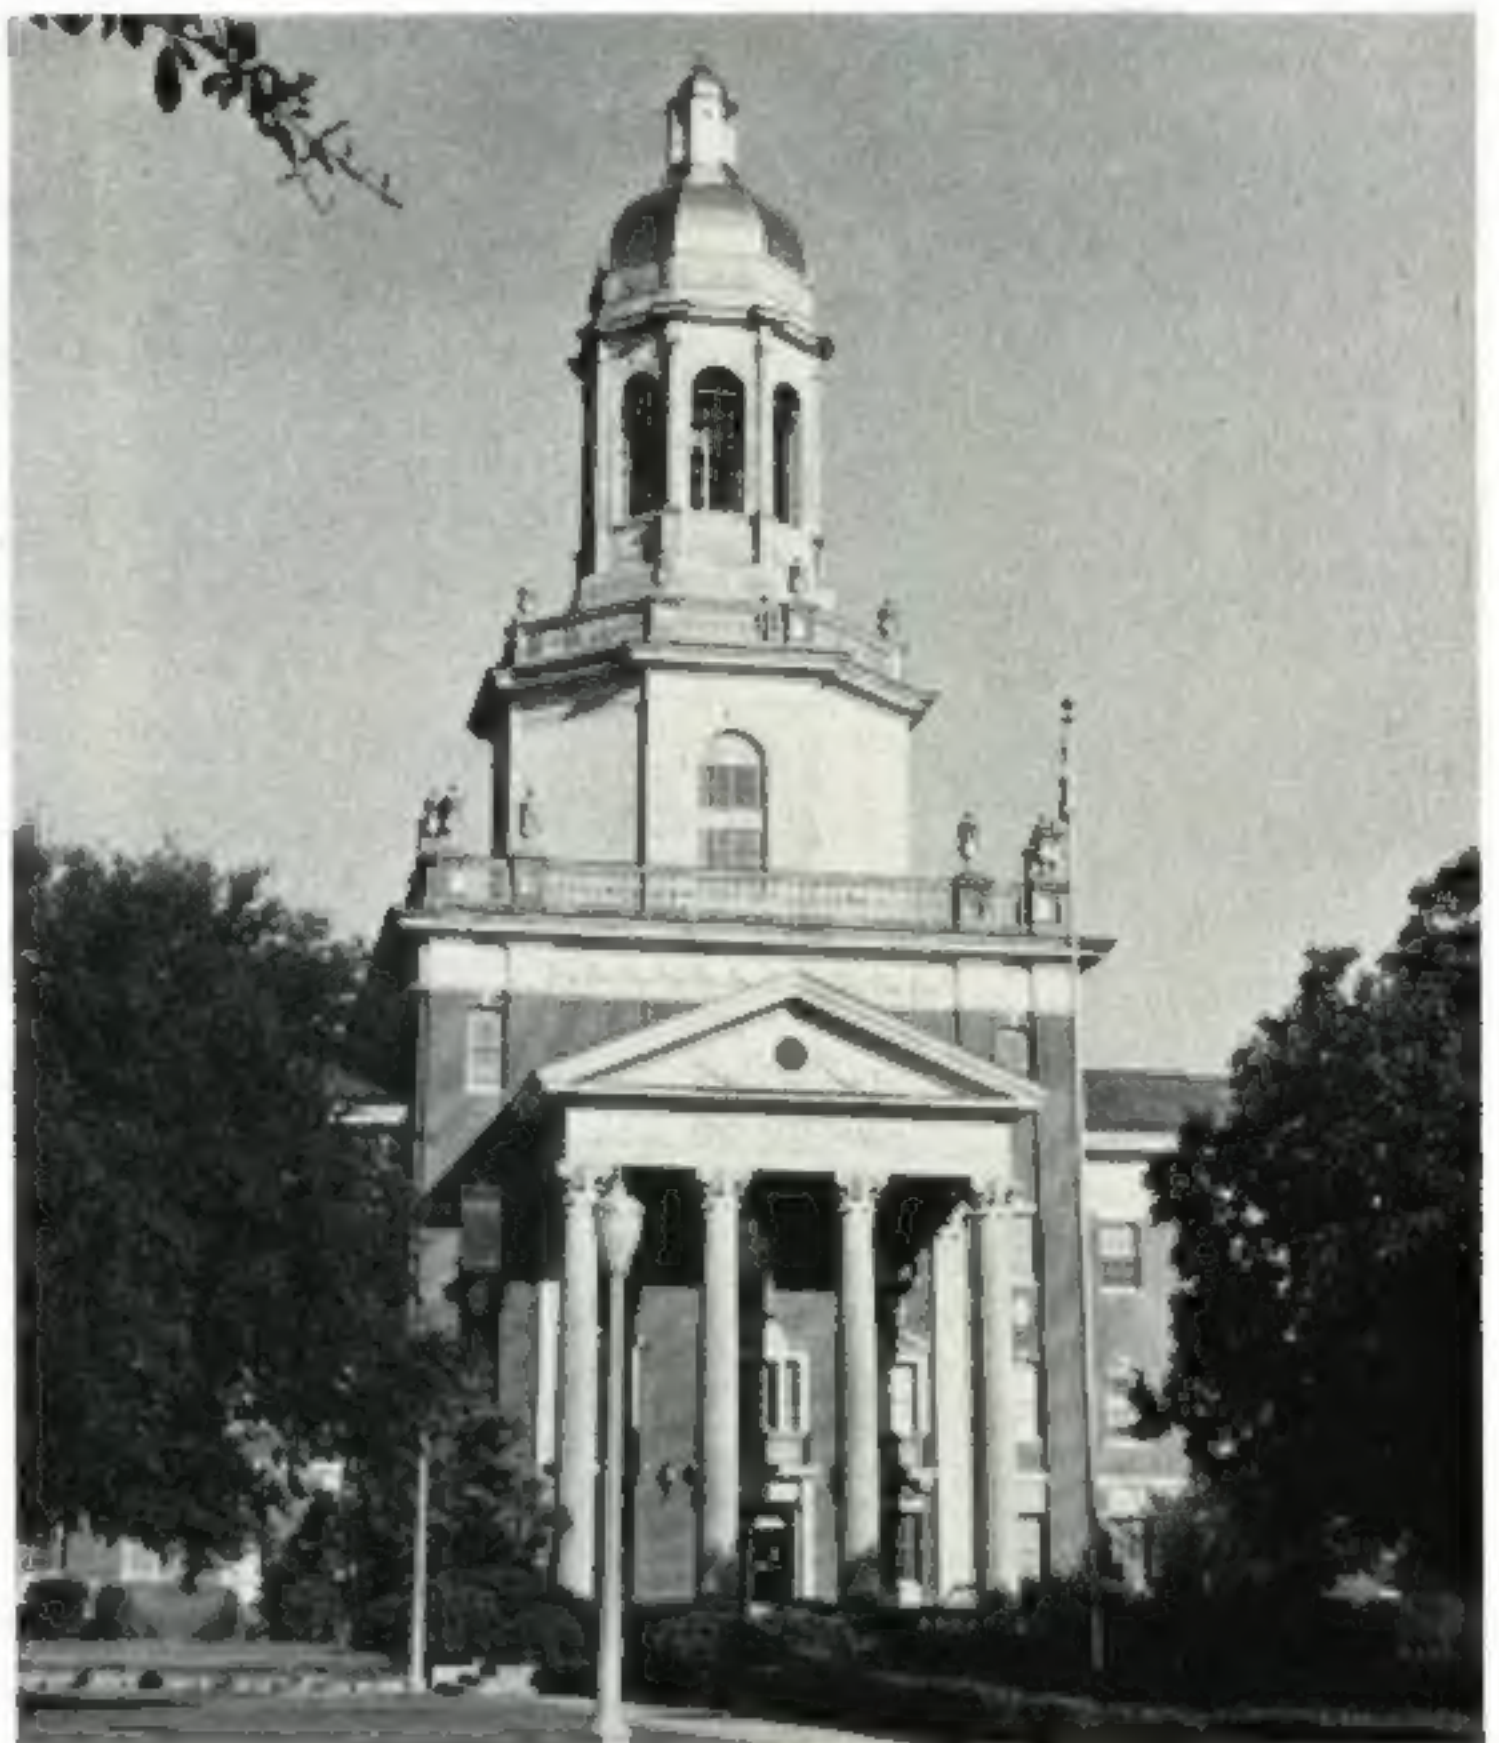

Baylor offers 100 major areas of concentration and approximately 35 different degree programs. The University is comprised of the College of Arts and Sciences and six schools: business, education, graduate, law, music, and nursing. Baylor also operates the Medical Center in Dallas and has an affiliated degree program at the U.S. Army Academy of Health Sciences in San Antonio.

As a member of the Southwest Conference, the Baylor Bears play exciting basketball in the Heart O' Texas Coliseum. A new special events center is now under construction and is anticipated to open for the 1988 basketball season. Also offered are football, track, baseball, tennis, golf and other sports.

Several special features of Baylor have made it unique and nationally renowned. Each spring All University Sing, a grandiose musical production involving Baylor clubs, attracts packed audiences in Baylor's Waco Hall. Also in the spring, Bear Downs, an annual 30-mile bicycle race, is sponsored to raise money for scholarships by Baylor Student Foundation, an organization of students who work in the areas of public relations, student recruitment and development.

Baylor offers a lot without costing a lot. Its tuition fees are among the lowest in the nation for private schools, and its financial aid

program is the highest volume program in the Southwest, based on per capita enrollment. Also, Baylor employs more students in on-campus jobs than any other school in the Southwest.

1987 BAYLOR FOOTBALL OUTLOOK

AN OVERVIEW—Grant Teaff's Baylor coaching career has been highlighted by one big challenge after another. The football program he inherited in 1972 was at the rock bottom of the Southwest Conference. The challenge then was to prove the Bears could win, and they did just that in 1974 with the schools's first conference championship in 50 years.

Next came the challenge of making the program competitive year in and year out. In 1979 Teaff decided the only way to achieve that goal was to implement a heavy redshirting program. The result: another conference title, five bowl games in eight years and an overall record of 57-34-2.

Certainly, Teaff has established Baylor's program as one of the nation's most solid.

So what challenge does 1987 bring? A quick look at the depth chart from last year's Bluebonnet Bowl championship team tells the story. Eighteen starters from that squad (eight offensive, nine defensive and one kicker) were lost to graduation. Thirteen of those went to camp with NFL teams.

So clearly the challenge is to prove the Baylor program is solid enough to overcome such devastating losses. Teaff feels his '87 Bears are up to the challenge.

"It will take an awful lot of work, but this team can and should be successful," Teaff says. "There are still questions to be answered and some things we can't foresee will pop up as problems from time to time. But I think this team has what it takes to be a winner. I would be disappointed if we didn't win enough games to go to a bowl."

A bold statement from a man who has only five starters returning. But Grant Teaff has not become one of the winningest football coaches in America by thinking small.

He feels the solidity of the program he has built will be a major factor bolstering his Bears. Nothing is being restructured at Baylor. It's just a matter of putting new names in the holes.

Teaff is quick to point out that while most of his starters will be new, almost all have significant playing experience. A good example is the offensive line where only one starter returns but all five first teamers are seniors. Similarly, the returning running backs and defensive linemen played almost as much as the starters last season. And the receiving corps, both wideouts and tight ends, feature a veteran staff.

The areas with less experience are quarterback, linebacker and the defensive secondary. But in all cases talented athletes are ready to step in and do the job.

POSITION-BY-POSITION

QUARTERBACK—The Cody Carlson-Tom Muecke era, arguably the best in Baylor football history, ended last season with Carlson's graduation, opening the door for sophomore **Ed Lovell** to take the reigns. Lovell played sparingly last year behind Carlson. He got the starting nod when Carlson was unable to start the Rice game. When given the chance to play, Lovell showed the potential to be a solid quarterback.

Redshirt freshman **Brad Goebel** had a tremendous spring throwing the ball and made huge strides running the option. He has the tall, lanky build of a young Carlson and with continued improvement could have as bright a future. **Jay Mapps** is a diamond-in-the-rough talent. After being away from football over a year because he took his entrance exam on the wrong day, Mapps has a long way to go. But he has the talent and attitude it takes to develop into a fine quarterback.

Teaff has high hopes for true freshman **Ricky Vestal**, a Houston product. If needed, he could play. Teaff has said he will try anything to find the right quarterback, a hint that some form of rotating system could be resurrected.

RUNNING BACK—**Jeffrey Murray** and **Charles Perry** nailed down the starting jobs last spring. While not officially listed as starters last season both played as much as any back in Baylor's rotating system. Murray, in fact, led the team in rushing with 459 yards on 106 carries. He averaged 4.3 yards a carry and scored three touchdowns.

Perry gained 294 yards on 74 carries in a season marred by an ankle injury. He also scored five TDs and caught 19 passes for 188 yards. Murray caught the same number

of aeriels for 204 yards. The two make a quality backfield combination.

Transfer **Eric Gilstrap** showed enough flashes last spring to wind up backing up the left halfback spot. Redshirt freshman **Eldwin Raphel**, junior **James Jarmon** and baseball player **Jackie Ball** will all see playing time. It will be interesting to watch the impact of highly touted freshman **Anthony Ray**, a player regarded as one of the state's best last year. He could be used in short-yardage situations.

RECEIVER—The most experienced element of the Baylor squad, the receiving corps, is led by senior **Matt Clark**, the Bears' top pass catcher the past two years. In 1987 he grabbed 23 for 418 yards and scored seven touchdowns. One of the most versatile and intelligent players in the SWC, Clark also quarterbacks the short-yardage offense and holds on extra points and field goals. Clark has been named all-SWC as well as Academic All-American. He is known as a possession receiver, but has above-average speed.

Veteran **Ben Baker** heads the list of flankers. He caught 12 for 140 yards in 1987. Speedsters **Bobby Jack Goforth**, **Darnell Chase** and **John Simpson** offer the deep threat. All have a good degree of experience. Redshirt freshmen **Greg Anderson** and **David Frost** should enter into the picture. Anderson had a most impressive spring. Baylor has a tradition of throwing to numerous receivers, and this year should be no exception. All seven players listed should play.

TIGHT END—All of last year's tight ends return, so that area should be a strength. **Kobe Fornes** continues to do the job in a workmanlike fashion. **Scott Huckabay** and **David Bell** provide fine depth. It will be interesting to see the impact made by incoming freshman **Steve Stutsman**, regarded by many as the nation's finest high school tight end last year.

OFFENSIVE LINE—The line will be anchored by **Joel Porter**, an All-American, Outland and Lombardi candidate. Teaff calls him the best he has ever coached. The former Sophomore All-American is big (6-4, 274), strong (500+ lb. bench press) and intelligent. And he may be the best interview in college football.

The rest of the line is comprised of unusually strong veterans. **Jeff Palmer** holds down the left guard spot next to Porter. **Paul Stuart** is the center, **Erroll Ware** is the right guard and **Terry Hancock** is the right tackle. All but Hancock bench press over 500 lbs. Between them, the starters have earned 10 letters. All have logged plenty of playing time in Baylor's rotating system in the offensive line. These players are all products of the aforementioned redshirt program. The talent is there. The key is molding the five into a solid unit.

Tackle **Dennis Smith** enters the fall as a backup but could wind up seeing some action. A former college basketball player with just three years of football under his belt, Smith is a developing talent. He, too, bench presses over 500 lbs. Transfer **Willie Everett** is a good backup guard.

DEFENSIVE TACKLE—The picture at defensive tackle is somewhat clouded by the status of senior **Russell Sheffield**. The former SWC Defensive Newcomer of the Year suffered a broken ankle in an off-season conditioning drill and did not participate in spring training. His return is a key to the defensive line's success because, if healthy, he is an all-conference candidate.

Big veteran **Henry Green** holds down the other tackle spot. After spending a couple of years as a reliable substitute he is ready to shine as a starter. Another tackle ready to come into his own is junior **Vincent Carpenter**. He will fill a vital role as an alternate at one tackle. One of the pleasant surprises of the spring was the play of redshirt freshman **Greg Oefinger** at another No. 2 tackle. With continued improvement he will have a fine career.

DEFENSIVE ENDS—Baylor has a long tradition of producing some of the SWC's best defensive ends, and 1987 will be no exception. Junior **Eugene Hall** is ready for greatness if last spring is any indication of things to come. The former high school basketball star possesses tremendous athletic ability and is just now learning how to apply it on the football field.

Keith Rose could be classified as a steady player at the other end spot. Former running

back and linebacker **Bivin Poole** is coming off an excellent spring. His pass adds a new dimension. Former walkon **Darrin Franklin** provides good depth.

LINEBACKER—At the weakside position **James Francis** appears to be headed for stardom. The brother of All-SWC cornerback Ron Francis, James went straight from the Bluebonnet Bowl to contribute to the basketball team that finished second in the SWC. He then stepped straight back onto the football field and had a great spring. The sky is the limit for this young talent.

The middle and strongside will be manned by **Gary Hays** and **Gary Joe Kinne**, respectively. Both are solid players who put out extra effort. The hard-hitting **Scott Works** backs up Francis while a couple of new faces at linebacker, **Reggie Howard** and **John Godfrey**, will help at the middle and strongside positions. With experience, they could be fine ones.

SECONDARY—There might not be a better pair of young safeties in the nation than sophomores **Mike Welch** and **Robert Blackmon**. Welch, a free safety, brings back memories of former All-American Vann McElroy. He has good size, speed and intelligence. And he spent a year as understudy to one of the best to ever play the position, Thomas Everett.

Blackmon is the pure, hard-hitting athlete you want in a strong safety. Despite being a freshman and a backup last year, he finished as the fourth leading tackler among Baylor's defensive backs.

Ray Crockett took over one corner position late last season and solidified his hold in the spring. He is a quality performer. On the other side **Norris Blount** has matured into a starting role after three years in the program. As a group, the four starters comprise a quality backfield.

Redshirt freshman **Charles Bell** can back up at a variety of positions. The other No. 2 spots will be manned by incoming freshmen.

KICKERS—Both placement specialists, short-range man **Terry Syler** and long kicker **Mark Mahler** are back after doing a good job last year. No changes are expected. The punting chores will be up for grabs with **Pete Rutter** coming back as the top candidate in the fall.

COACHES AND ADMINISTRATORS

HEAD COACH GRANT TEAFF AND QUARTERBACK ED LOVELL

GRANT TEAFF

Baylor Head Coach

Fifteen years at Baylor and 24 as a head coach have proven Grant Teaff is one of the nation's top coaches running one of college football's most solid programs.

Only four coaches—Penn State's Joe Paterno, Georgia's Vince Dooley, Michigan's Bo Schembechler and BYU's Lavell Edwards—have served their respective schools longer than Teaff.

Teaff has the sixth-most Southwest Conference wins in history (60) and the seventh-most wins (90) by an SWC coach. Teaff is the nation's eleventh-ranked active coach for total career wins (132), ahead of such figures as Johnny Majors, Lou Holtz, Don James and Earle Bruce.

And, as if the numbers are not impressive enough, Teaff has been named SWC Coach of the Year six times and national coach of the year once.

That Teaff has achieved such success at Baylor is nothing short of incredible.

In 1972 he took over a Baylor program some experts said should drop out of the SWC. The Bears' 20th head coach inherited a team with a dismal 3-28 record the three years before he arrived. But worse than the on-field performance was the losing image the program held.

Teaff immediately went to work instilling a winning attitude in Bear faithful throughout Texas and it spilled over onto the football field. Teaff's first squad went 5-6 and came very close to earning a bowl bid. Only 13 points kept them from post-season play.

The Snyder native won SWC Coach of the Year honors in 1972 and repeated it two years later when Baylor produced "The Miracle on the Brazos," Baylor's first conference title in 50 years and first ever appearance in the Cotton Bowl. Teaff won National Coach of the Year honors that year as well.

That season broke the ice and convinced the world Baylor could not only compete with the Southwest Conference, but with any team in college football.

Since then the Bears have made a fairly regular habit of making a run at the conference title and earning a spot in a post-season bowl. In 1979 Teaff took a team picked near the bottom of the SWC and finished with an 8-4 record and Peach Bowl victory over Clemson. Again, Teaff was named Coach of the Year.

The 1980 Bears were picked to finish sixth in the SWC, but instead finished sixth nationally with a 10-1 record. The Bears went 8-0 in the league and took the championship by a record three games. Also, the Bears broke 28 school records and led the conference in both offense and defense.

Teaff was again named Coach of the Year.

The 1983 season was another in which Teaff's Bears stunned the SWC. Picked eighth in the pre-season polls, suffering an incredible string of injuries and playing out of revamped offensive and defensive formations with a virtually new coaching staff, Teaff put together a seven-win season and won another Coach of the Year Award.

The last two campaigns have firmly established Baylor's solidity. In a story line that has become all too familiar, the 1985 Bears were picked eighth in the SWC. But Teaff's crew won nine games and set a number of school records. Baylor's only three losses that year were to Top 20 teams on the road.

Only a gut-wrenching 17-10 loss to Texas in Austin kept the Bears from getting another conference championship ring and taking their third trip to the Cotton Bowl. Instead, Baylor soundly defeated LSU in the Liberty Bowl. After the season Teaff was given his sixth Coach of the Year Award.

Last season Baylor proved '85 was no fluke. They finished the season 9-3 and boasted offensive and defensive squads ranked near the top of the NCAA statistics.

Only a 31-30 loss to Texas A&M in College Station kept Baylor from winning the conference and going to another Cotton Bowl.

Instead the Bears won the Bluebonnet Bowl 21-9 over Big Eight runner-up Colorado.

In addition to producing winning football teams, Teaff has become recognized as one of college football's great statesmen. He helps shape the game as a member of the NCAA Rules Committee. He is also chairman of the Amer-

ican Football Coaches Association ethics committee.

With a 90-76-5 record, Teaff is Baylor's all-time winningest coach. His conference record is 60-53-3, and his overall coaching slate is 132-122-7. Since 1979 Teaff's Bears are 57-31-2.

Teaff has coached nine post-season all-star games, the East-West Shrine Game three times (including 1986), the Blue-Gray Game three times and the All-American Game, the Japan Bowl, and the Hula Bowl once each.

Teaff entered the coaching field at Lubbock High as an assistant coach. His alma mater, McMurry, then called him and he took the job as the nation's youngest head football coach. After a successful stay he went to Texas Tech as recruiting coordinator and assistant football coach. His next move was to Angelo State where, in three years, he posted a 19-11 mark, including a 7-3 record in 1971.

In 1972 he was called to Baylor to begin the challenge of his life. Bear football hasn't been the same since.

Teaff's coaching philosophy places emphasis on personal development of the individual athlete and motivation to gain maximum performance. He has coached 13 Baylor players to first-team, All-American status and dozens more to All-SWC honors.

Eleven assistant coaches have left Teaff's BU staff, and most have gone on to become head football coaches somewhere on the college level. Recently Eddie Williamson took over the reigns at VMI and Joe Broeker became the head coach at Willamette. Three years ago John O'Hara took the head job at Southwest Texas State. Before the 1982 season Bill Hicks became the head coach and athletic director at Howard Payne and Corky Nelson was appointed at North Texas State.

Dal Shealy (Richmond), Bill Yung (West Texas State, UT-El Paso), Ron Harms (Texas A&I), and Pat Culpepper (Northern Illinois) left earlier after training under Teaff. Former defensive backfield coach Mark Hatley was on Bum Phillip's staff at the New Orleans Saints and former secondary coach Rick Johnson is now the defensive coordinator at TCU.

Teaff is highly regarded for his speaking ability and is one of the nation's most sought-after speakers. He is recognized widely for his speeches on motivation to reach one's full potential. Teaff is one of the country's top football clinic speakers as well. He's active in the Fellowship of Christian Athletes, and has served on its board of directors.

In ceremonies at 1986 Homecoming, Teaff was awarded the Alumnus Honoris Causa for distinguished service to Baylor University. The award is given only to "a fraction of one percent" of those associated with the University.

Teaff and his wife, Donell, a former Texas Tech cheerleader, have three daughters.

Tammy and Tracy are both Baylor graduates while Layne currently attends Baylor. The Teaffs also have one grandchild, Joshua Teaff Bookbinder.

TEAFF'S COACHING STAFF

COTTON DAVIDSON **Assistant Head Coach** **Quarterbacks and Receivers**

Cotton Davidson, a member of the Baylor Athletic Hall of Fame, is beginning his fifth season as Baylor's assistant head coach and 16th year as a member of Grant Teaff's BU staff.

Davidson, who came to Baylor in 1972 when Teaff became head coach, has playing and coaching experience at every level of football.

Davidson was born November 30, 1931, in Gatesville where he still resides and ranches. He was a multi-sport star there before graduating in 1949.

Davidson, 55, earned three football and two baseball letters from 1951-53 at Baylor. He lettered at safety on Baylor's 8-2-1 Orange Bowl team and played backup quarterback to All-American Larry Isbell in 1951. He started at quarterback in 1952-53, completing 127 of 312 passes for 1,871 yards and 11 TDs. He was named All-Southwest Conference his senior year.

After his senior season, Davidson played in the East-West Shrine Classic, where he was a team co-captain, and in the College All-Star game in Chicago. Davidson graduated from Baylor in 1943 with a B.S. in physical education.

Drafted No. 1 by the Baltimore Colts, Davidson started three games as a rookie in 1954. In 1959, Davidson quit pro football and followed coach John Bridgers to Baylor to help install the Colts' famed offense.

With the formation of the American Football League in 1960, Davidson joined the Dallas Texans. He started two years and was named to the AFL All-Star team. He won AFL All-Star Game MVP honors in 1961 after tossing four touchdown passes.

From 1962-70, Davidson played for the Oakland Raiders and while there participated in the 1968 Super Bowl. During his career, Cotton played for such legendary coaches as Hank Stram, Weeb Eubank and current Raider owner Al Davis.

Davidson, who still has close ties to the NFL, rejected an offer to become the offensive backfield coach at Oakland when Teaff called in 1972. He has been in charge of the Bear passing attack since and has tutored All-Southwest Conference quarterbacks Neal Jeffrey, Jay Jeffrey, Tom Muecke and Cody Carlson. All-SWC receivers Charles Dancer, Gerald McNeil, Bruce Davis and Matt Clark all blossomed under Davidson's tutelage.

Baylor's passing attack has gained over 2,000 yards every year since 1983. That year Cody Carlson and Tom Muecke combined for 2,468 yards passing and last year the Bears broke that mark with 2,577 passing yards.

Cotton married Carolyn Mabry on June 5, 1954, in Breckenridge, and the couple has four children and three grandchildren. Son Tommy and daughters Kelly Wood and Tracy Sage are all Baylor graduates and son Ty is a Baylor student. Tommy was an outstanding wide receiver for the Bears from 1975-77 and was named to Baylor's All-Decade Team of the '70s.

In his spare time, Cotton enjoys a little hunting and fishing.

In the four seasons Dr. Duke Christian has been Baylor's offensive coordinator the Bears have had one of the nation's most explosive and imitated attacks.

Christian came to Baylor in 1979, taking over the running back coaching duties. When John O'Hara left BU's offensive coordinator position following the 1982 season, Head Coach Grant Teaff elevated Christian to the coordinator's post.

In Christian's first year as offensive coordinator, the Bears put together one of the greatest offensive machines in Southwest Conference history. The Bears ran up 4,515 yards in total offense that year, the second best total in school history. The '83 Bear squad featured 1,000-yard rusher Alfred Anderson and 1,000-yard receiver Gerald McNeil.

Only one other time in SWC history had one school produced such a productive duo.

In 1985, Christian orchestrated Baylor's switch to a multiple attack that was so hard to defense one opposing player said it ought to be illegal. Baylor amassed 4,279 yards in total offense, running out of over 50 different formations.

Last year Christian's offense was ranked fifth nationally and just missed a school record for total offense, finishing with 4,827 yards, but did set a BU record with 254 first downs.

Christian, 45, came to Baylor after serving as head coach at Southeastern Oklahoma State University in Durant, Oklahoma. He was born December 20, 1941, in Oklahoma City. He graduated from Grant High School in 1959. In 1963, he received his bachelor's degree from Southeastern and a year later his master's from the University of Oklahoma. Christian completed his doctorate in education at Oklahoma State in 1974.

Christian was a graduate assistant at OU during the 1963-64 seasons. He took an assistant's spot at Southeastern in 1964 and was elevated to the head coaching job there in 1971.

While Southeastern's head coach Christian had six winning seasons in seven tries. His teams were ranked in the NAIA national top 20 two years, getting as high as fourth in 1977. His 1976 team won the OIC championship, the school's first league title in almost 30 years.

That season Christian was named OIC and NAIA District 9 Coach of the Year. Three of Christian's players at Southeastern were named NAIA All-Americans. Several years his teams were among the nation's leaders in offensive output.

Since coming to Baylor, Christian has coached all-SWC performers Jay Jeffrey, Walter Abercrombie, Dennis Gentry, Alfred Anderson, Tom Muecke, Cody Carlson and Matt Clark.

Duke married Pat Hutton on June 12, 1965, and the couple has three children: Janea,

19 and a Baylor student; Ty, 10; and Blake, nine.

PETE FREDENBURG

Defensive Coordinator

Entering his fifth season as Baylor's defensive coordinator, Pete Fredenburg has established himself as one of the Southwest Conference's premiere assistant coaches.

With Fredenburg at the helm, the Bears have boasted defenses that have been ranked among the nation's best against both the pass and run. The 1984 Bears were 10th in the nation against the run while 1985's pass defense finished third nationally. Last year Baylor ranked third nationally in total defense and sixth in rushing defense.

Fredenburg joined the Baylor staff in 1980 as a part-time defensive end coach. He went full-time and took over defensive line duties in 1981 when Bill Hicks left to become Howard Payne's head coach. When Billy Mills left the Baylor defensive coordinator position after the '82 season, Fredenburg replaced him.

Born September 15, 1946, at Lubbock, Fredenburg was raised in Clifton, where he earned All-District honors in four sports. After graduating from Clifton High School in 1965, he went to Southwest Texas State in San Marcos.

Fredenburg earned three letters at SWTS and was a two-year starter at a linebacker spot. The 1967 Bobcat team, coached by Bill Miller, was nationally ranked. Fredenburg graduated with honors in 1970 and earned a master's at SWTS in 1977.

Fredenburg entered the coaching field at New Braunfels Canyon High in 1970. A year later he moved to New Braunfels High as defensive coordinator. While on the staff there, the Unicorns compiled a record of 40-23 and finished second in the district twice, won district once, reaching the state quarterfinals.

Fredenburg became the Giddings' head coach in 1977. In two years there his teams went 12-8 and finished second in the district twice.

Since becoming a Baylor staff member, Fredenburg has coached All-Southwest Conference performers Charles Benson, Max McGeary, Steve Grumbine, Derek Turner and Kevin Marsh. Benson also earned All-American honors.

Fredenburg married the former Karen Buckner on July 12, 1969, in League City. The couple has three children: Kori, 13; Denver, 11; and Cody, six. Fredenburg lists his hobbies as hunting and fishing. He is active in the Episcopal church.

F. A. DRY

Offensive Line

In just three years coaching Baylor's offensive line, F. A. Dry has seen four of his pupils earn All-Southwest Conference honors as the Bear offensive attack has become one of the nation's most explosive.

Dry, who joined the Bear staff in April of 1984, should know what it takes to produce outstanding linemen. He was an All-American center himself at Oklahoma A&M and has coached offensive linemen at every level of football.

A native of Fairland, Oklahoma, Dry earned 11 letters and was All-State in football before enrolling at Oklahoma State. After winning All-Conference and All-American honors there he received his bachelor's degree in 1953. He later earned his master's at OSU.

After serving in the U.S. Army, Dry coached in the high school ranks for five years before joining Glenn Dobbs' staff at the University of Tulsa as offensive line coach. Dry became TU's offensive coordinator in 1964 and the Golden Hurricanes responded by going 9-2 and 8-3 the following seasons. They made Bluebonnet Bowl appearances both years.

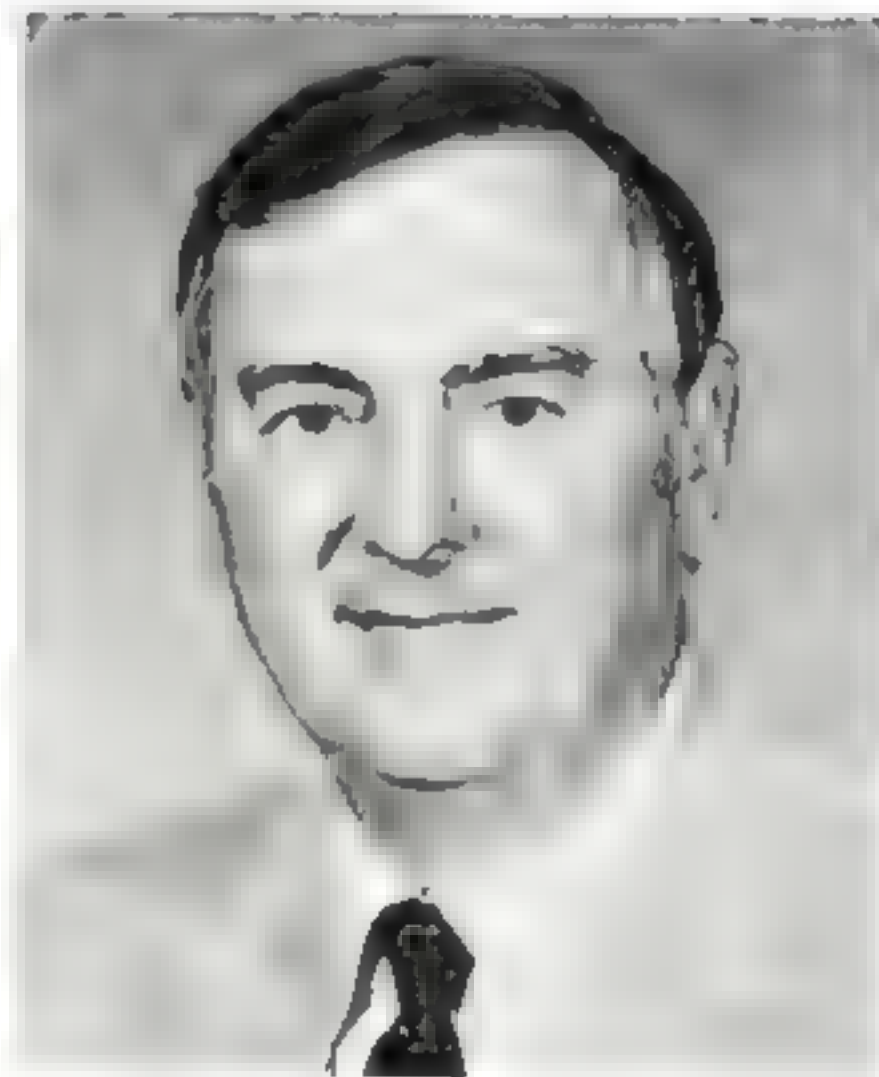

TU's 1964 team led the nation in total offense, passing and scoring while the 1965 squad led the country in total offense and scoring.

Dry left Tulsa in 1966 to become offensive line coach of the Houston Oilers. He was on the coaching staff that led the Oilers to the American Football League Eastern Division championship.

Dry went back to Tulsa as head coach midway through the 1972 season and later was elevated to the position of head football coach and athletic director. Starting with the 1973 campaign, the Golden Hurricanes reeled off four straight Missouri Valley Conference titles under Dry. TU was 6-5 in 1973, followed by 8-3, 7-4 and 7-4-1 seasons. He was named MVC Coach of the Year three times while compiling a record of 31-18-1 at Tulsa.

Dry moved to TCU in 1977 and was the head man in Fort Worth through 1982. At TCU, Dry posted a 12-51-3 overall record. He entered private business after leaving TCU, but came to Baylor when former line coach Eddie Williamson left to join Vince Dooley's staff at Georgia.

Dry and his wife, Jan, have three children. Diane is a Tulsa graduate while Mike was a football letterman at TCU. The youngest is Becky, a Baylor student. The Drys also have two grandchildren.

JOHN GOODNER

Linebackers

John Goodner enters his sixth year as Baylor's linebacker coach with the challenge of replacing three talented starters. But if history is any indication of things to come, Goodner will again develop an outstanding set of linebackers. At BU he has coached All-Southwest Conference performers Kevin Hancock and Ray Berry and tutored such other standouts as Robert Watters and Aaron Grant.

Goodner joined the Bear staff July 15, 1982, replacing linebacker coach Corky Nelson, who moved on to the top spot at North Texas State.

Goodner, 43, was a successful veteran high school coach in Texas before joining the Bear staff, but his roots go back to his native state of Oklahoma. Goodner was born February 26, 1944, in Snyder, Oklahoma and grew up to be a star high school athlete in Frederick.

He graduated from Frederick High School in 1961 after earning nine letters in football, basketball and track. Playing quarterback and linebacker, Goodner was an All-State selection in 1960.

He then went on to letter three years, 1964-66, for coach Otis Delaporte at Southwestern Oklahoma State in Weatherford. In 1966, Goodner was chosen as an All-Conference linebacker. He earned his bachelor's and master's degrees from Southwestern State in 1967 and 1973, respectively.

Goodner's first coaching job was at Noble High School. His team went 6-4 that season. In 1973 John moved to Denison High School as head coach. He put together a 14-15-1 slate at Denison.

In 1976 he moved to Waxahachie and led the school to two district titles in his six years there. His overall record with the Indians was 35-26-1. While at Waxahachie, Goodner coached three players who went on to be Baylor Bears: Glenn Pruitt, Broderick Sargent and Buzzy Sawyer.

Goodner and his wife, Karen, were married on June 30, 1967, in Frederick. The couple has one daughter, Katherine, 19, a Baylor student.

ROBERT JAMES

Defensive Ends

Robert James has distinguished himself by coaching at least one All-Southwest Conference defensive end each of the four years he has been a Baylor staff member.

James joined the Baylor staff in July, 1983, and that season end Ervin Randle won All-Conference honors. The next year Derek Turner and Randle were named to the elite squad, and Turner added his name to the list again in 1985. It was Kevin Marsh who made All-SWC in 1986.

James came to Baylor with a wealth of experience at the high school and college levels. He came to Baylor after leading Gainesville to three consecutive state play-off appearances. Prior to that he held head coaching positions at Lamesa and San Antonio MacArthur.

Overall, James put together a record of 103-37-4 as a high school head coach.

James lettered three years in football and two in track at Snyder High School. He graduated from Snyder in 1957 after earning All-District honors for coach John Conley, who went on to become the athletic director at Texas Tech.

He then went to McMurry where he earned three letters playing for his current boss, Grant Teaff. Before graduating in 1961, James earned All-Texas honors as an offensive and defensive tackle.

The 48-year-old James started his coaching career at Abilene's Jefferson Junior High in 1961. Following that he was an assistant at Winters in 1962 and '63 and Temple in 1964.

He took his first head job at Lamesa in 1965 and remained there until 1974. In 1972 James guided the Golden Tornadoes to a district title. The following year his squad reached the Class AAA state semi-finals.

He spent the 1975-77 seasons at San Antonio MacArthur. The Brahmas were regional finalists in 1975. That same year, James served on the board of directors of the Texas High School Coaches Association and was on the selection committee for that organization's annual All-Star Football Game.

James entered the college ranks in 1978 at New Mexico. He spent two seasons coaching the offensive and defensive lines before taking over the reins at Gainesville in 1980. He made a pair of play-off appearances there before Teaff offered him a position prior to the 1983 season.

Since then he has consistently tutored Baylor's ends into some of the nation's best.

James, born April 3, 1938, earned a master's in education from Trinity in 1976. He is married to the former Linda Kincaid and the couple has four children: Kent, a Texas A&M graduate; Kyle, a Texas student; and Kristy and Dena, both high school students. From 1964-68, Lane was head football coach at Daingerfield High, where he won the Class AA state championship in 1968. Lane put together a record of 37-5 at Daingerfield. In 1969, Lane moved to Angelo State to become Grant Teaff's assistant. He also coached track at Angelo.

Lane then made the move to Baylor with Teaff in 1972.

Prior to his one-year stint under Ray Perkins at Alabama, Smith spent four years coaching the defensive backs at Georgia Tech under head coach Bill Curry. Before going to Georgia Tech, he was athletic director and head football coach at Marianna (Fla.) High School from 1979 to 1982.

From 1972-78, Turner tutored Baylor's defensive backs. During that time, Tommy Stewart, Gary Green, Ron Burns and Ken Quesenberry took All-SWC honors. Since taking over the offensive backfield in 1979, he's had three pupils chosen best at their position in the conference—Walter Abercrombie, Dennis Gentry and Alfred Anderson.

Turner, 52, was born August 6, 1935, in Brady. He graduated from Brady High in 1953 after lettering in football, basketball and track. Turner was chosen All-District halfback his senior year.

The following fall Turner enrolled at San Angelo Junior College and played for Max Bumgardner. He was an All-Conference and Honorable Mention All-American performer at San Angelo before transferring to Stephen F. Austin. Turner earned his bachelor's degree from SFA in 1958 and received his master's one year later from the same university.

From 1959-1964, Turner served as defensive backfield coach at San Angelo JC. When San Angelo became a four-year school in 1964, Turner remained on the staff and continued to coach the secondary until 1971. He doubled as golf coach from 1969-1971 and led the Rams to an eighth place national finish in 1970. Turner followed Teaff to Waco in 1972.

DR. HERBERT H. REYNOLDS **President of** **Baylor University**

Herbert H. Reynolds was born 57 years ago at Frankston, Texas, and was educated in the public schools of Texas. Over the six-year period from 1946 to 1952 Reynolds combined a four-year tour of active Air Force service and attendance at Trinity University from which he received a Bachelor of Science degree.

From 1952 to 1956 Reynolds served in long-range planning, personnel and technical advisory positions both in the United States and the Far East, and he also completed special studies at the University of Denver and the Air University. In March 1956 Reynolds came to Baylor where over the next five years he once again combined active service as an Assistant Professor of Air Science with a Baylor Psychology Teaching Fellowship to earn both the Master of Science and Doctor of Philosophy degrees in Experimental Psychology. Thus, at age 31 he had completed thirteen years of active Air Force duty and held three earned degrees.

Dr. Reynolds was on his way in 1961 to join the faculty of the Air Force Academy when he was diverted to the Aeromedical Research Laboratory at Alamogordo, New Mexico, to become part of a unique research effort associated with the space program. Over the next six years Reynolds was Director of Research of this diverse and highly complex laboratory where he led in central nervous system research related to the Project Mercury, Gemini and Apollo NASA programs. In the midst of producing some fifty publications and maintaining flying status as an Aviation Psychologist, Dr. Reynolds also served as an adjunct graduate faculty member of both Baylor and the University of New Mexico.

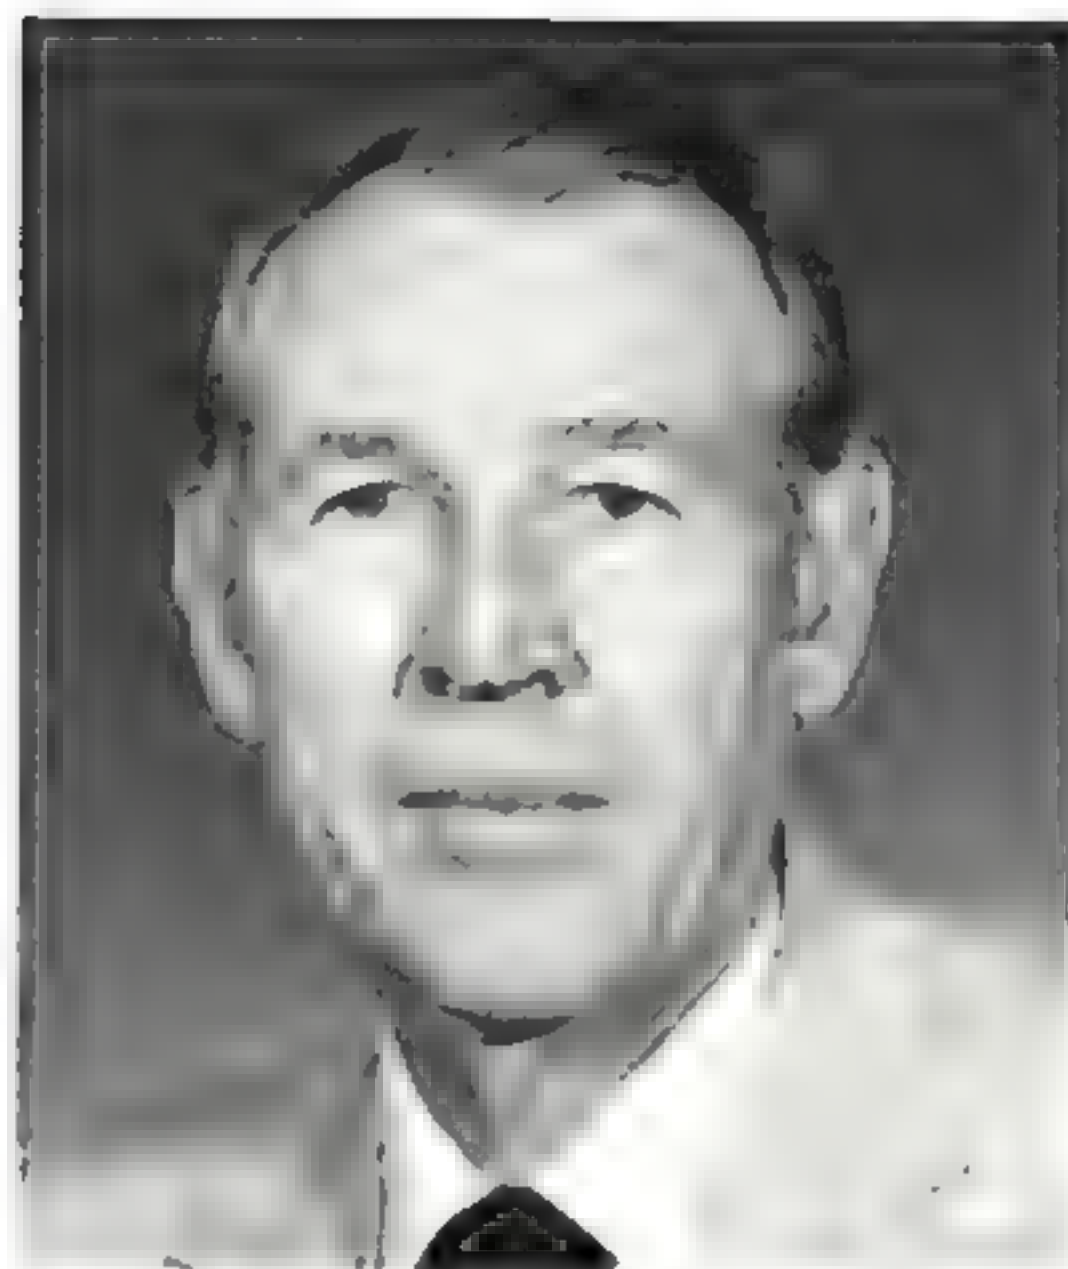

During the last year of his Air Force service Dr. Reynolds was made the establishing Commander of the Air Force Human Resources Research Laboratories. He retired in 1968 at age 38 after twenty years active duty and five decorations for meritorious service. He served as the Executive Vice President of Baylor from 1969 to 1981 and was named President and Chief Executive Officer of the University on June 1, 1981. Since Dr. Reynolds became President enrollment at Baylor has reached an all time high, several new and innovative programs have been established, \$50 million in additional facilities have been added or soon will be, and the endowment and net assets of the University have more than doubled.

Dr. Reynolds is a trustee of the Baylor College of Medicine and the Baylor College of Dentistry, is a trustee of the Southern Baptist Annuity Board, a director of the Association of Texas Colleges and Universities, First Federal Savings and Loan Association, the Community Bank and Chamber of Commerce of Waco, is a deacon and former deacon chairman of First Baptist Church of Waco and is a 32nd degree (KCCH) Mason. He is a member of many other boards, a number of honor and professional societies and is listed in Who's Who in America, Who's Who in the South and Southwest, Who's Who in Science and Who's Who in Education.

Dr. Reynolds and his wife, Joy, who is also a Baylor graduate, have two sons and a daughter who are Baylor graduates. Grandchildren Jonathan and Melinda will be in the classes of 2003 and 2004, respectively.

BILL MENELEE

Athletic Director

Overseeing the entire operation of Baylor's intercollegiate athletic program is Bill Menefee, now in his eighth year as athletic director.

Menefee, who succeeded Jack Patterson on September 1, 1980, came to Baylor in 1947 as a physical education instructor and assistant basketball coach. His Baylor Cub freshman basketball teams went 68-50 in ten seasons. The Bear varsity squad captured four Southwest Conference championships while Menefee worked as Bill Henderson's aid.

With Henderson's retirement in 1961, Menefee took over the Bear coaching reins. His first team was 4-20 and the Bears were 18-54 after Menefee's first three seasons. In 1965, the Bears vaulted to a second place finish in the SWC and a 15-9 record. Baylor enjoyed seven winning seasons over the next eight years.

Menefee won Southwest Conference Coach of the Year honors following the 1965, 1968 and 1969 campaigns. Baylor finished second in the conference each of those seasons, despite pre-season predictions that tabbed his teams for lower finishes.

Throughout Menefee's coaching career, he was regarded as an outstanding teacher. During his tenure, Baylor's tallest player stood only 6-feet-7. Menefee continuously and effectively countered this liability, usually by giving opponents fits with a tenacious full-court press.

In 12 years (1961-73), Menefee coached the Bears to 149 wins and 144 losses.

Currently, Menefee is involved in helping the Baylor Athletic Department reach its goal of gaining \$25 million in Athletic endowment by 1993. His goal is to have 200 scholarships endowed over a ten-year period.

A native of Grand Falls, Menefee earned All-American honors in 1943 at North Texas State as a forward. He served as captain of the Eagles two seasons and led NTSU to a third place finish in the NAIA National Tournament his senior year.

He is married to the former Dorothy Winford, a Dallas native, and they have two children—Pete, an attorney in Jacksonville, and Mrs. Carol Spear, a special education teacher in Waco. They have three grandchildren.

Menefee plays a mean game of tennis in his spare time and also enjoys fishing now and then.

DAVID GUINN

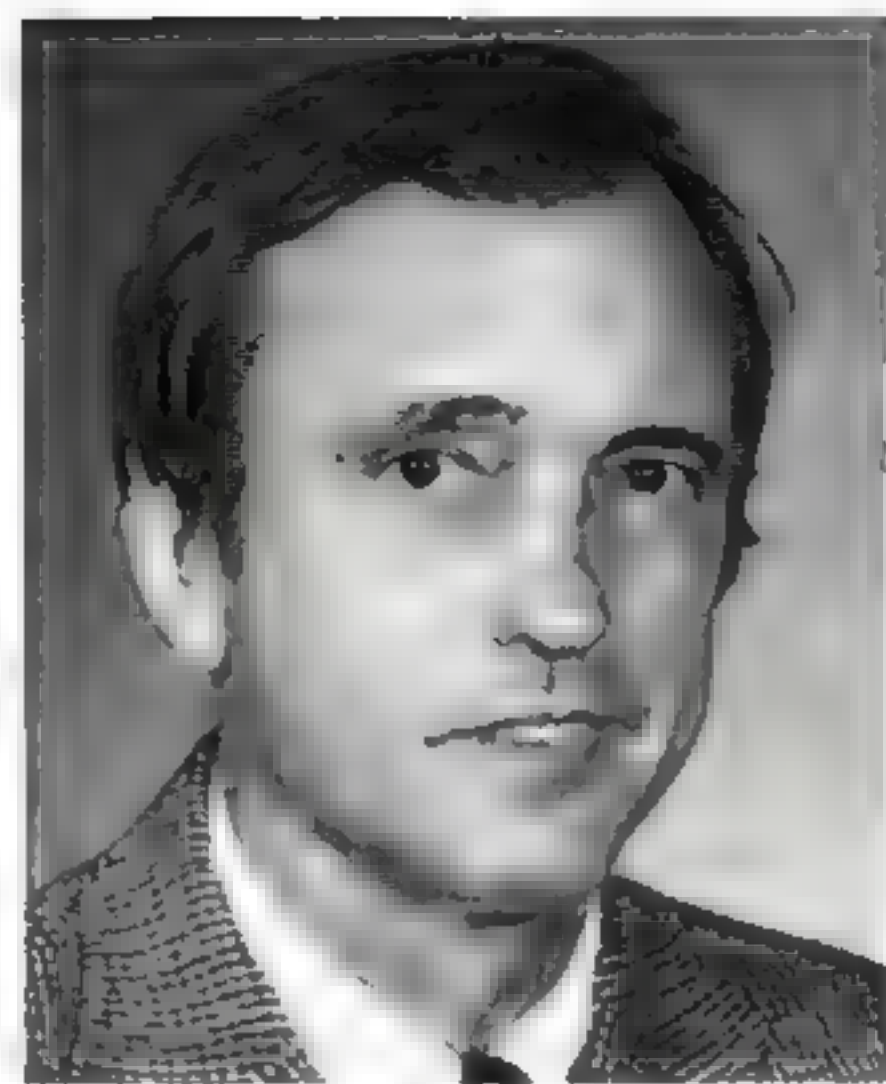

Baylor Athletic Council Chairman

Baylor School of Law professor David M. Guinn is in his eighth year on the Baylor Athletic Council and his second year as that group's chairman. Guinn also serves as Baylor's faculty representative to the Southwest Conference.

Guinn grew up in Cleburne and graduated from high school there before entering Baylor in 1957. He finished his J.D. at Baylor in 1963 and completed work on his LL.M. at the University of Michigan in 1966.

He has been a member of the School of Law's faculty since that time and currently holds the R. W. and Louise Morrison Chair of Constitutional Law.

Guinn is a member of the Supreme Court Historical Society and the State Bar of Texas.

MARIE ABEL

Assistant Athletic Director

Marie Abel, who is in her 36th year of service to Baylor University, was named assistant athletic director in 1981. She is in charge of office management, travel arrangements, game-day operation and ticket sales at Baylor.

Abel has long been recognized as one of the outstanding individuals in her field. In 1981 she received the prestigious Athletic Business Manager of the Year Award from the National College Athletic Business Managers Association (CABMA). In 1982 she became the first woman president of that organization.

Abel, a native Wacoan and former Baylor student, began working for the university in 1948. She held a position in the registrar's office two years and in 1950 took a leave of absence while her husband was in the service.

She returned to Waco in 1953 and started working in the Baylor alumni office. She then took a job in the university's purchasing and budget department before joining the athletic department in 1961.

She has worked under four Baylor athletic directors since then: John Bridgers, Bill Henderson, Jack Patterson and current BU head man Bill Menefee.

championship and numerous all-time Southwest Conference best performances.

Hart has coached 44 NCAA track and field all-Americans. His relay teams have set American, collegiate, Southwest Conference and junior world records at a variety of distances.

Hart is perhaps best known for his tutoring of 400-meter runners. Included in his list of stellar pupils in that event are eight-time all-American Mark Collins, former SWC record holder Zeke Jefferson, ten-time all-American Johnny Thomas, Caldwell and Raymond Pierre. Hart's 1,600-meter relay teams have reached the NCAA finals nine of the last 12 years and have won the Texas Relays five of the last seven.

Hart enjoyed record-setting careers as a high school sprinter in Arkansas and college runner at Baylor. After graduating from Baylor in 1956, he returned to his native state and coached five consecutive state championship teams at Little Rock Central High School.

He returned to Baylor in 1963 and since then his charges have set every mark in the Baylor record book.

Hart has contributed greatly to the recent success of many of the United States' top international track and field performers through his work with the U.S. Olympic Committee. They had 409 yards total offense. Baylor countered with 556 net yards for an average of 5.9 yards per snap. The lead changed hands six times before the Bears pulled in front to stay with 10:33 left in the third quarter. Nine Baylor players rushed the ball and eight caught passes. The following week Cody Carlson was named SWC Offensive Player of the Week and Thomas Everett SWC Defensive Player of the Week by the Associated Press. At a point when things were up for grabs, the Bear defense stiffened, causing two turnovers on the Cowboy's last two drives.

USC place-kicker Don Shafer ignored a thunderstorm's torrential downpour and booted a 32-yard field goal with two seconds remaining to lift the Trojans to a 17-14 upset before 35,000 in Waco. Shafer's kick capped a Trojan comeback and ended an afternoon of football oddities. USC trailed 14-7 with just 3:50 to play and had gained only 88 yards in offense up to that point. Their only score came on a 99-yard return of a fumble as Baylor's Charles Perry appeared to be putting the Bears up 14-0 just as the first half ended. But, instead, it was 7-7 at intermission. Despite moving the ball up and down the field, the Bears could manage only one second-half touchdown, that coming after Ray Berry stripped the ball and Ron Francis fell on it at the USC 31. Before USC's final two scoring drives, they had four first downs, three by penalty.

A great defensive effort keyed a 27-13 win over Houston. The Bears got off to a sluggish start and helped the Houston cause early with two fumbles. One bobble set up a seven-yard drive for a Cougar touchdown and another set up a 14-yard march for a field goal. Charles Perry scored from the one to cap a 15-play, 80-yard drive which opened the second half. Still trailing 13-10, the Bears defense took over in the fourth quarter as end Keith Rose picked off a fumble in mid air and raced 45 yards for the go-ahead score.

They opened the game with a 100-yard kickoff return for a touchdown and scored on a 74-yard run from scrimmage and a 29-yard pass play. The Bears held SMU to 77 yards and one field goal in the second half. They pulled to within six with four minutes to play, but the visitors were able to run out the clock and preserve the win.

Texas A&M drove 80 yards in 16 plays to score a touchdown with 3:48 left to take a 31-30 win before a standing room only crowd of 74,739 at Kyle Field. The points gave A&M its first lead of the day. Baylor had led by as much as 17-0 in the first quarter. The Aggies would never die, though, as they closed the gap to 17-14 in the second stanza. A Baylor field goal made it 20-14 at the half, but an Aggie three-pointer in the third quarter cut the Bear lead back to three. Baylor followed with another touchdown, but A&M bounced back for one of their own, making the Bear lead 27-24 early in the fourth. The visitors added another field goal before the Aggies went on their winning drive.

Baylor overcame a slow start and a 10-point third quarter deficit to spoil TCU's Homecoming with a 28-17 win before 24,101 in Fort Worth. Baylor drew first blood with a 64-yard, 15-play drive, but the inspired Frogs scored the next 17 points. The Bears then put together an 80-yard, 16-play march to pull within three at 17-14 with 3:34 left in the third. From that point the Bear defense held firm and quarterback Cody Carlson took over. Two long-distance scoring strikes produced the next 14 Bear points. First, Carlson hit streaking John Simpson for a 72-yard bomb and then he connected with Derrick McAdoo on a short flair pass which became a 86-yard touchdown.

Baylor scored 17 fourth quarter points to take a come from behind 29-14 win over tenth-ranked Arkansas before a Homecoming crowd of 44,500 in Waco. The Hogs held a 14-12 margin at the half, but could do little in the second stanza as they were held to 24 yards total offense and two first downs after the intermission. The second half belonged to the Bears. While the defense was shutting down Arkansas like nobody else has this year, Cody Carlson, despite some badly bruised ribs and an infected knee, guided the Bears to scores on their last three possessions.

Playing without starting quarterback Cody Carlson and strong-side linebacker Ray Berry, Baylor hung on for a 23-17 win over Rice before 12,500 in Houston. The Bears committed five turnovers, three of which led to all 17 Rice points. Baylor managed only two field goals in the second half while the Owls went nine yards for a fourth-quarter touchdown. Trailing 23-17, Rice got the ball with 4:45 left to play. They overcame two fourth-and-long situations along the way only to see the drive end at the Baylor one as time ran out on the upset bid.

Following the game, head coach Grant Teaff and his team accepted the invitation of the Bluebonnet Bowl on the floor of Baylor Stadium. The Baylor Football Radio Network will mark its fifth year of operation in 1987. Frank Fallon, Baylor's Coordinator of Broadcast Activities, is excited about the network more than ever.

Calling the play-by-play will be Fallon, who will be broadcasting Bear football for the 35th year. Fallon, the general manager of Baylor's campus radio station, KWBU-FM, is perhaps best known as the public address announcer for the NCAA's Final Four basketball championships each March.

John Morris will be in his first year as Fallon's color commentator. Morris is sports director at Waco's KWTX television station. Jerry Clemmons is producer of the Baylor broadcasts and Craig Harper the engineer.

Our people make Hillcrest more than a hospital.

While Hillcrest has a modern, expanding physical plant as well as highly advanced equipment, that is not enough to make us a medical center.

It's our people that make the difference. People like our physicians and staff, who have the dedication and vision to build a complete family-centered birthing facility. To create a dedicated cancer treatment center. To maintain the area's largest Emergency Services Department. To establish a Center for Breast Screening. To provide the only long-term rehabilitation beds in Waco. To design a comprehensive 31-bed Children's Center.

Since 1920, Hillcrest Baptist Medical Center has been bringing the future of health care to Central Texas. Today, with over 230 physicians representing more than 30 medical specialties, Hillcrest has become more than just a hospital. Our special people have made it the place for specialized attention in a medical center environment.

BAYLOR TRADITIONS

IMMORTAL TEN

January 22, 1927. Coach Ralph Wolf was taking his first Baylor basketball team to the University of Texas for a crucial Southwest Conference game. It was raining and debris from the highway had been sprayed on the windshield of the chartered bus.

Then, at Round Rock, Texas, one of America's first athletic tragedies occurred. A speeding train from the I&GA Railroad Company rammed the side of the bus at a crossing near the center of the city. Ten of the 21 persons in the Baylor party were killed.

And each year at the Baylor Homecoming, the freshmen men hear the tragic epic of the "Immortal Ten." The hero was James Clyde "Abe" Kelly, who was captain-elect of the 1927 football team. Kelly saw the train just before impact and pushed his roommate, Weir Washman, out of the bus window. He was credited with saving the life of his best friend at his own expense—death.

Others who died with Kelly were William Winchester, W. E. Murray, Merle Dudley, Sam Dillow, Jack Castellau, L. R. "Ivey" Foster, Bob Hailey, R. L. Hannah and James Walker.

Wesley Bradshaw, who remains in third place in Baylor football career scoring records, was seriously hurt. Gordon Barry, Joe Potter, Edgar Gooch, C. S. Bean, Keifer Stricklan (All-SWC), John Kane, Dave Cheavens (former Baylor journalism department chairman) and Coach Wolf were slightly injured. Washman and Louis Slade were unhurt.

As a result of this tragedy, the first highway overpass in Texas was constructed at Round Rock.

BOBBY JONES AWARD

Prior to each Homecoming game, the Bobby Jones Award is presented. The award is named for the former Bear quarterback from 1954-56 who helped Baylor defeat Tennessee 13-7 in the 1957 Sugar Bowl. Mrs. Rosemary Jones established the award after Jones was killed in an automobile-train wreck while a member of the Tennessee coaching staff.

The award is given to the senior player who provides the best leadership on and off the field in the week of preparation for the Homecoming game. The coaching staff votes on the award.

MASCOT STORY

Back in the 1920s, Baylor received its first live mascot from troops of the 107th Engineers, a unit of the 32nd Infantry Division, which was stationed in Waco.

The bear, named Ted, made his first appearance at a Baylor-Texas A&M game, and when the unit got its order to move on, the bear was left in the hands of the Baylor Athletic Department. Since then, the use of bears at Baylor football games has become as much a fixture as the players, cheerleaders and bands.

Probably the best-known mascot was Joe College, who came to Baylor through the work of Bill Boyd, then a Baylor student. Boyd bought the bear from a zoo that went

broke at the Cotton Palace in Waco. He then approached Baylor's president, Pat Neff, and offered to take care of the bear in exchange for free tuition. Neff accepted the deal and the tradition of live bears as mascots has continued since.

The current bear mascots are Judge Burleson (Rufus) and Judge Charles II (Chuck). Rufus will accompany the 1987 Bears at home and on the road. He came to Baylor from Bear Country USA, a drive-thru wildlife park in South Dakota. Chuck, five and one-half years old, will greet visitors to the Hudson Bear Plaza on campus.

Every two years the university gets a new bear, and most come from Bear Country USA. Most of the mascots are North American black bears, a species that seems to adapt well to humans.

All the bears are kept at the Hudson Plaza, built nine years ago. They are sponsored by the Baylor Chamber of Commerce, a service fraternity on campus.

GOLDEN WAVE MARCHING BAND

A 28-piece regulation military band was organized in 1903 under the direction of Charles Parker. This band was a part of Baylor's ROTC unit until the end of World War I when the military division was dissolved and the organization became known as the Baylor Bear Band. In 1929, Everett McCracken was appointed director and he initiated a new era of development for the Bear Band. A highly successful ten-day tour of several Texas towns was made in new uniforms colored in gold. Critics spoke of the band as making "a golden wave through Texas." From that day, the band has been known as the Baylor University Golden Wave Marching Band.

Women were admitted into the concert band in 1937 and in this period, the band received wide recognition both in marching and in the concert season.

This year, the Golden Wave, under the direction for the sixth year of Mike Haithcock, is marching 275 members, which includes winds and percussion, flag corps, Golden Girls and a feature twirler.

"THAT GOOD OLD BAYLOR LINE"

The alma mater of Baylor has been the rallying call to the old school's thousands of students, ex-students and friends since shortly after the turn of the 20th century.

Its present form, however, is altogether different from the original one. In fact, its title is the only thing that has remained intact through three score and 10 years of usage.

The now famous title was conceived in 1907 when a group of Baylor men, led by William B. Todd, borrowed a tune from a Broadway musical hit of 1902, a sprightly waltz number called "In the Good Old Summertime."

The text of that first pep-generating ditty embodies a dire threat to all gridiron foes, notably those of a sister institution of that time also located in Waco—the forerunner of Texas Christian University, then called Add-Ran College. Rivalry between the two student bodies was intense, hence, the Baylor mens' threat to send their opponents home "done up in turpentine" after an encounter with formidable Baylor "line."

The words used in that first version have long been abandoned. New words were written in 1931 by Enid Eastland Markham, a 1923 Baylor graduate.

HOMECOMING PARADE

One of the highlights of the Baylor Homecoming celebration each year is the Homecoming Parade, believed to be the largest and oldest in the nation. The first parade was held in 1909.

About 35,000 people annually line the streets to view the parade, with another 115,000 watching on local television. Approximately 115-120 parade entries, including floats, cars carrying distinguished guests, and marching bands, participate in the parade which travels about two miles to the campus.

EX TEX PEP RALLY

The week prior to the Baylor-Texas game, the popular Ex Tex pep rally is held in Baylor Stadium. The pep rally was started under the name of Hex Tex in 1960. It was the brainchild of former head coach John Bridgers, who was looking for an emotional edge for his players prior to the big game with the Longhorns. The highlight of the pep rally, which was first held in Minglewood Bowl but has since been moved to Baylor Stadium, is the lighting of candles that are formed in the stands in the shape of an upside-down Longhorn. Current head coach Grant Teaff changed the name of the rally in 1986 because he felt the Bears no longer need to invoke the special powers of a hex to beat the Longhorns.

CONGRESSIONAL MEDALS OF HONOR

Baylor University is believed to be the only school in America to have two former lettermen go on to win the Congressional Medal of Honor. Both men, Jack Lummus and John (Killer) Kane, won the nation's highest military honor for heroics in World War II.

Lummus played football, basketball and baseball for the Bears from 1938 through 1941. He was an All-Southwest Conference center fielder before signing with the New York Giants of the National Football League.

After one year of pro football, Lummus joined the Marines and was a platoon leader in the initial days of fighting at Iwo Jima. While leading a charge on enemy positions, Lummus stepped on a land mine and lost both legs. Despite the heavy bleeding that resulted he led his platoon to knock out several pockets of Japanese fire, a vital part of the U.S. victory.

Lummus died of his wounds shortly after the battle.

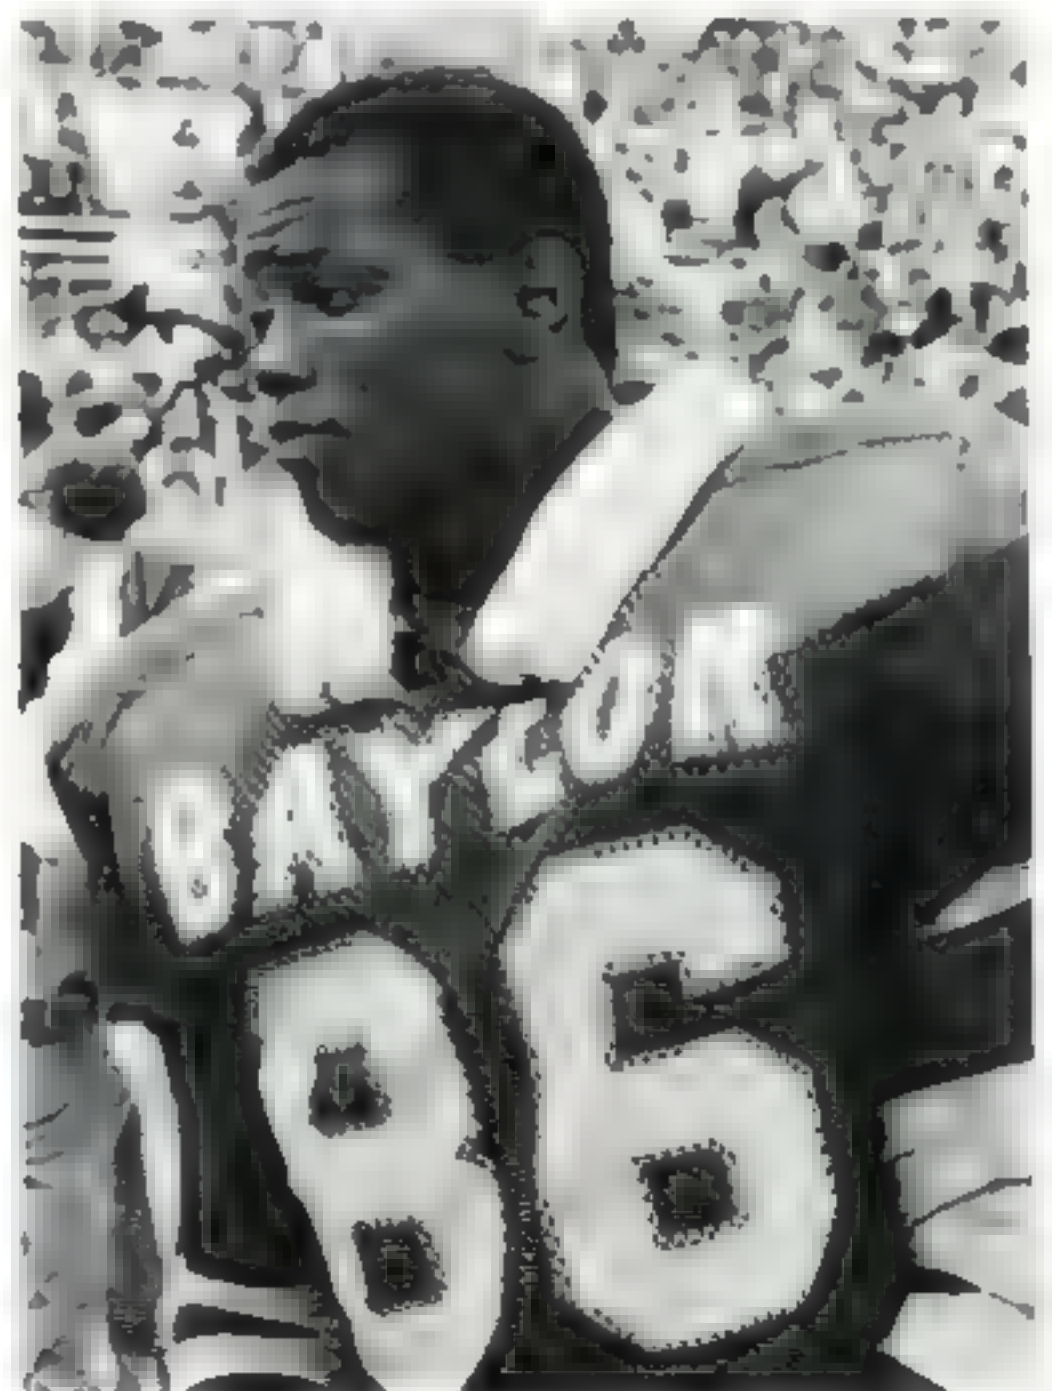

President Harry S. Truman cited Lummus by saying, "By his outstanding valor, skilled tactics and tenacious perseverance in the face of overwhelming odds, First Lieutenant Lummus had inspired his stouthearted Marines to continue the relentless drive northward, thereby contributing materially to the success of his company's mission."

Kane played football and basketball at Baylor and was a member of the ill-fated 1927 basketball team that lost ten of its members in a bus-train wreck. Kane was one of 12 survivors.

Kane joined the Army Air Corps in 1932 and soon became a bomber commander of legendary proportions. It was said he was the best pilot and toughest commander in

RUSSELL SHEFFIELD

HENRY GREEN

the Air Corps. It was often debated who feared him more—the Germans or his own men.

On August 1, 1943, Kane led what at the time was the deadliest air battle in history—a low-level, long-range raid on Hitler's oil-refining complex in Ploesti, Rumania. The site produced a major part of the Axis' fuel and was one the most heavily guarded locations in history.

The Air Corps' mission was to fly B-24 Liberator bombers 1,350 miles at treetop level, under the range of enemy radar. It was a suicide mission, despite some the most heroic flying ever done. It is remembered as the worst catastrophe in the history of the Army Air Corps.

Of the 166 planes that departed on the mission, 73 failed to return. Kane flew for over 14 hours before returning on two of four engines.

Five Medals of Honor were awarded to pilots, the most ever from a single military operation. Only Kane and one other were alive to receive theirs.

THE "NUGGS"

Under the motto of "The Few, The Proud, The Nuggs," Baylor's all-important scout teamers have molded themselves into one of the more distinctive groups on campus.

The story of how the squad, whose job it is to imitate upcoming opponents' plays for the starting units, came to be called Nuggs, ranks as one of Baylor's legends.

It all started back in the mid-70s when scout teamers were outfitted in garish gold colored jerseys. The reason for the distinctive togs is hotly debated, but in all likelihood they were worn near the end of the season when normal practice jerseys were in short supply.

At any rate, the devoted group who seldom saw game action took pride in their uniforms and called themselves the "Golden Nuggets" to combat the many jokes they suffered. Later the title was shortened to "Nuggs."

To be called a "Nugg" is a great source of pride. It means that you will probably never see the light of day in an actual game, but you are giving every ounce of your ability to help the team win by preparing the starting units.

"Nuggs" proudly wear their own T-shirts and have even printed their own media guide. Each season the top scout teamers receive the "Golden Nugget Awards."

BARTON "BOTCHEY" KOCH

First Concensus All-American in Southwest Conference History

The Southwest Conference is now regarded as the premier football league in the nation, but back in 1930 the idea of a player of All-American status coming from the SWC seemed preposterous—until Botchey Koch came along.

Koch played guard at a stocky 5-10 and 200 pounds and left an indelible impression on everybody who saw him play.

Since no game films exist from his day, testimony of those who witnessed him personally attest to his greatness.

"He was the greatest athlete I ever coached," said former Baylor coach and athletic director Bill Henderson, a veteran of over 40 years in college athletics.

The legendary D. X. Bible put Koch on the West squad of the East-West Shrine Game. After seeing Koch play against the best in the country, Bible said, "He's the best guard I ever saw."

The San Francisco Chronicle's report of the game said, "There were a lot of great

linemen in the game, but Koch was easily the best. A steam roller could not get over him." Koch was voted the game's MVP.

Former SWC football referee Pete Cawthon called him, "An All-American all the way, both ways. Don't ever expect to see another one as good."

Amos Alonzo Stagg called Koch, "One of the great ones." "Football brilliance," said Knute Rockne. "He's far and away the best guard I ever saw play."

Paul Crume, longtime *Dallas Morning News* columnist, wrote upon Koch's death in 1964, "after reviewing my memories of Botchey Koch, I doubt that there ever was a better college lineman."

Koch is a member of the Baylor Hall of Fame, the Texas Sports Hall of Fame, the Baylor all-decade team of the 20s, the College Football Foundation Hall of Fame, the Southwest Conference 50-year All-Star Team and the All-Time All-American team picked by Grantland Rice, perhaps the greatest sportswriter who ever lived, and Harry Stuhldreher, one of Notre Dame's famed four horsemen and former head coach at Wisconsin.

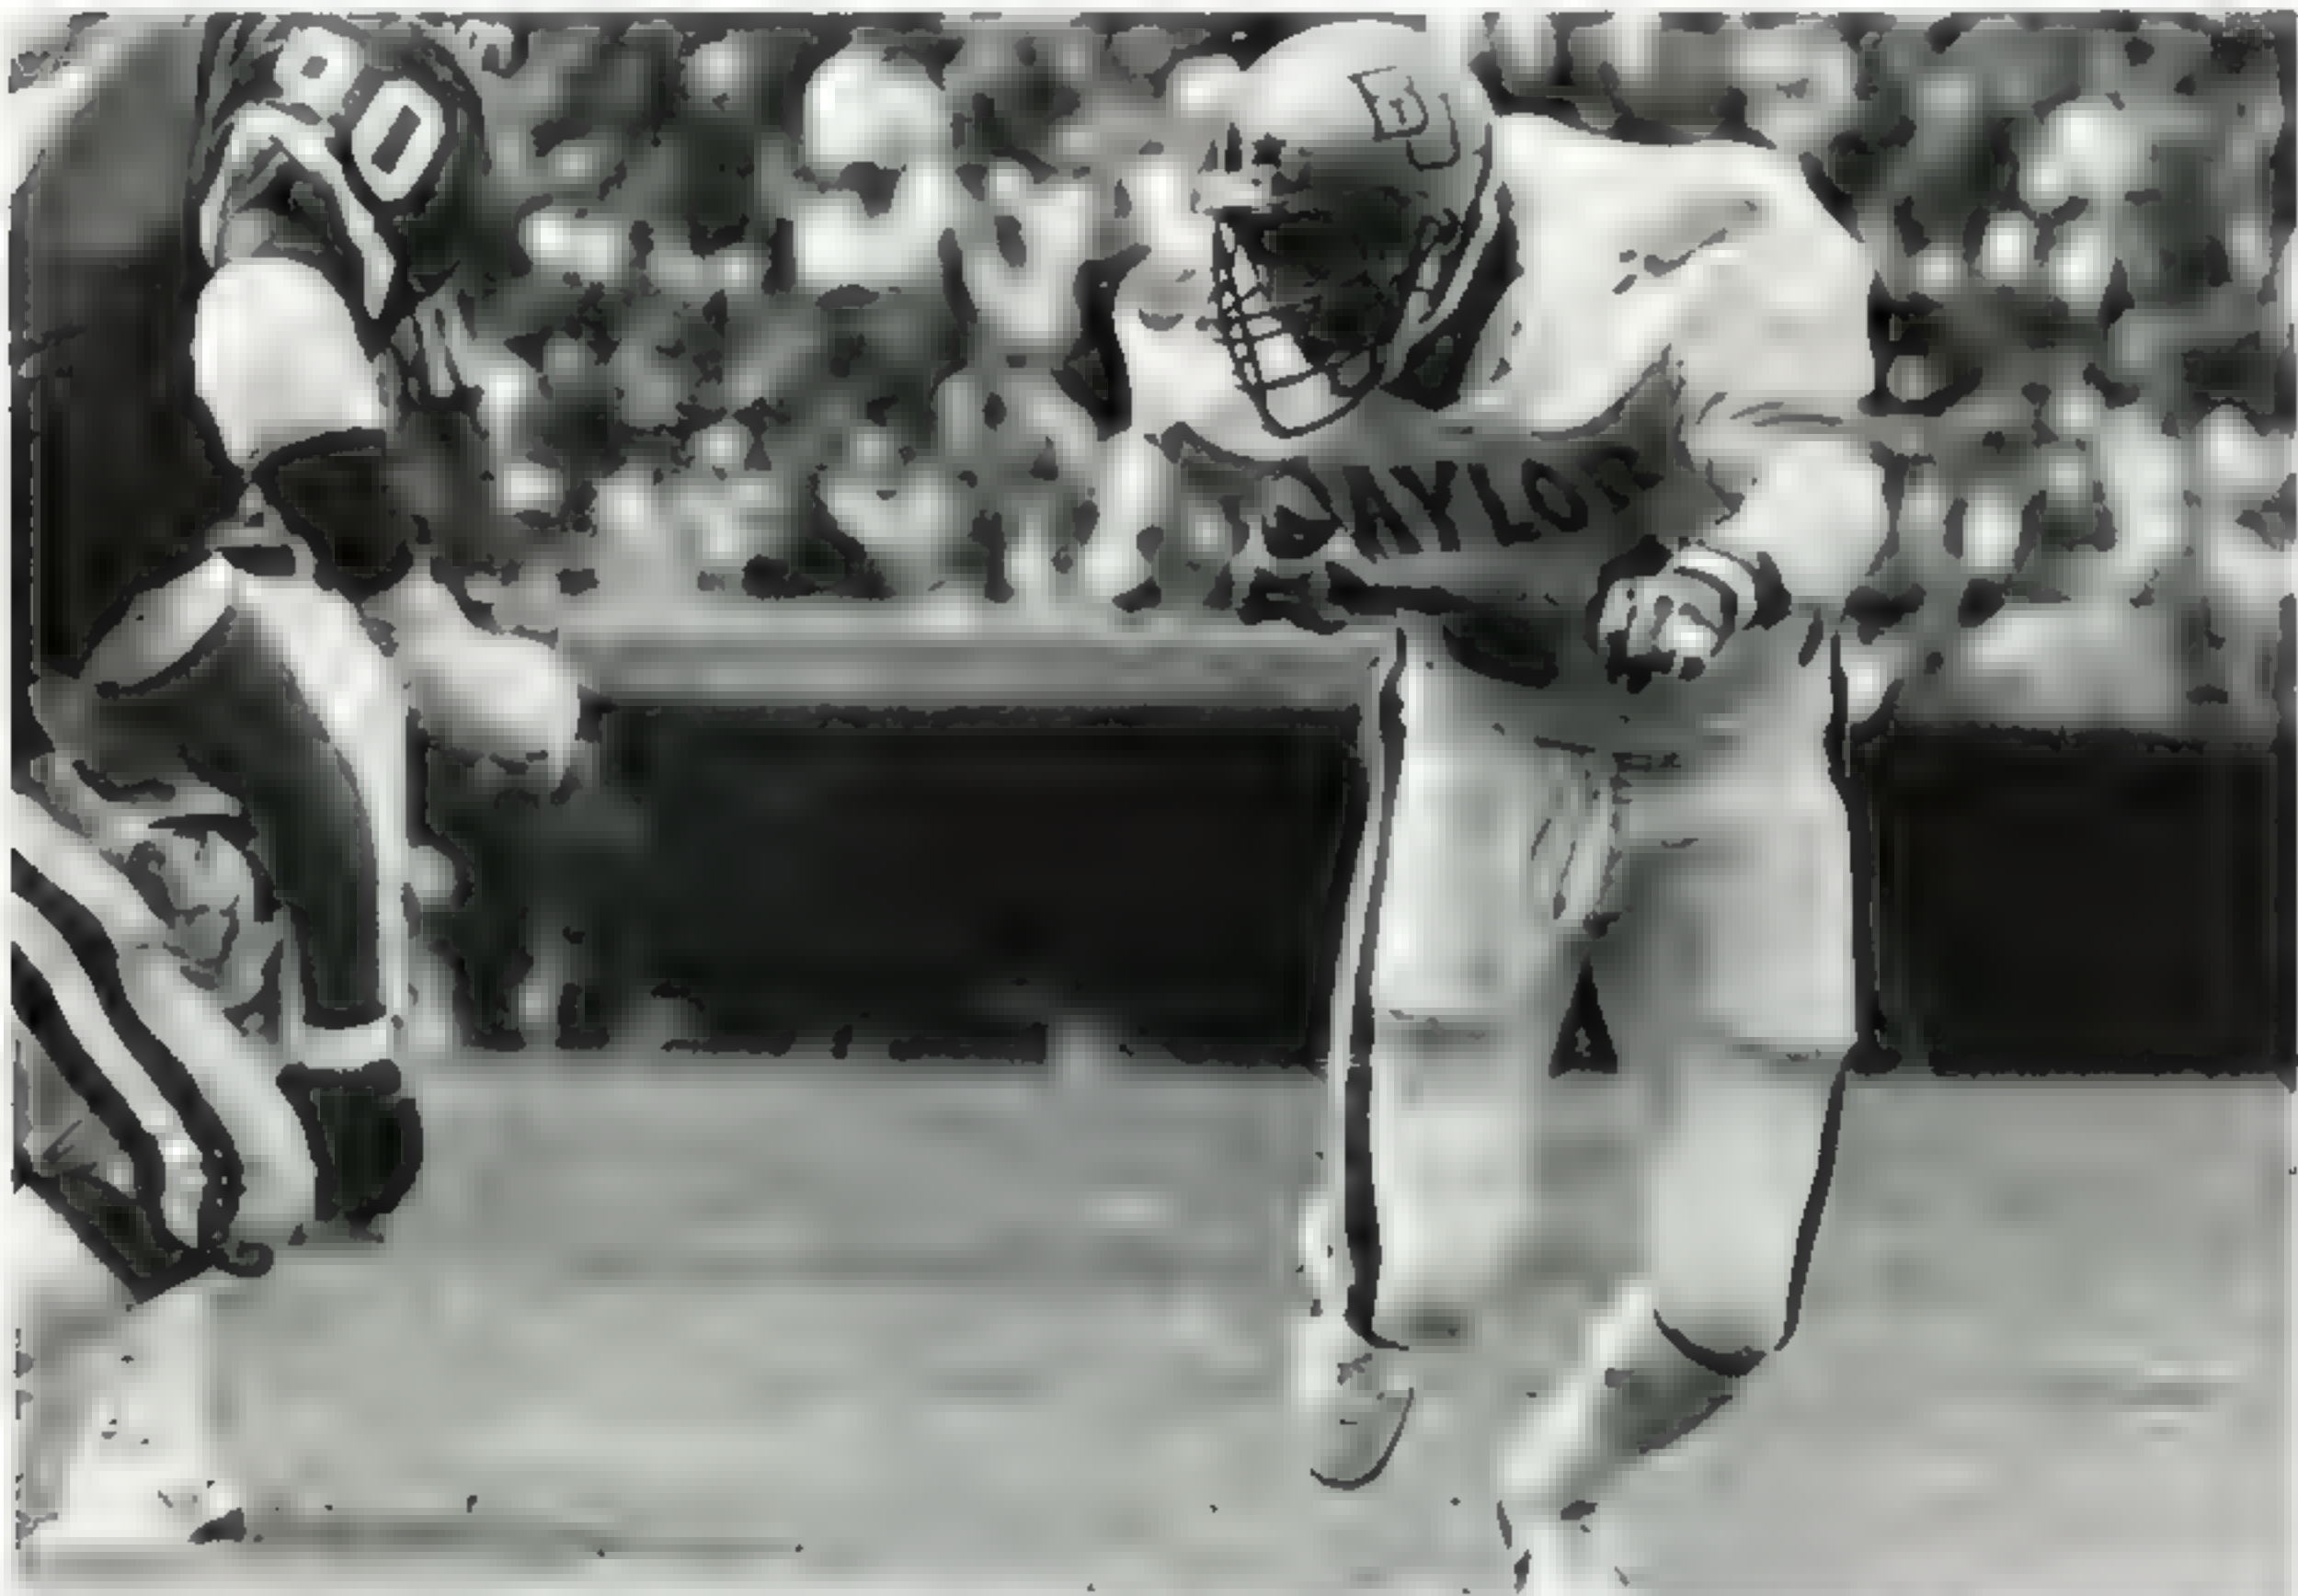

Former *Waco Tribune-Herald* sports editor Jinx Tucker wrote, "He (Koch) has been accorded more national honor than any player a college or university in the state of Texas has produced, and he is deserving of that honor for he is the greatest guard the Lone Star State has ever seen, and perhaps the greatest the nation has ever known."

THE MIKE SINGLETARY AWARD

The Mike Singletary Award is presented annually to the senior football player who has contributed the most to the team, and brought honor and recognition to the University through his actions on and off the field. The award is voted on by the student body.

Baylor Stadium History

This fall marks the 38th anniversary of Baylor Stadium. Completed in the summer of 1950, continued renovations and improvements over the years have produced a facility that now ranks among the top in the conference. Plans are currently being considered to move the Baylor athletic offices into a new complex to be built in the north end zone.

Prior to 1950, the Bears played all home games at Waco Municipal Stadium on Dutton Street, a small stadium that could only seat 14,000 to 20,000 if end zone bleachers were set up.

In the late 1940s a group of Baylor supporters decided to help the Bears build their own stadium and formed the Baylor Stadium Corporation to achieve just that. The Corporation launched a bond sales program and was able to raise \$1.5 million needed to build the new stadium. The last bonds were retired in 1980.

Over the years, the Bears have played at several different sites around Waco. Carroll Field, located on campus, was the home field for Baylor from 1902 to 1925 and again from 1930-35. Football was actually started at Baylor in 1899, but no records are available to prove where the team played in those first three seasons. Old newspapers and yearbooks only report that games were played on a extremely rough field close to the school.

The Bears moved briefly from Carroll Field to play at the old Cotton Palace from 1926-29. But after returning to Carroll for six years, Baylor left the campus site for good in 1936 and moved to the newly built Waco Stadium—which in 1942 was renamed Municipal Stadium.

Many improvements and additions have been made to Baylor Stadium throughout the years. Up until the 1972 season, the Bears played on a grass field. But with the acquisition of a new coach, Grant Teaff, also came Baylor's first AstroTurf surface. A second surface was laid down in the summer of 1979.

During the 1970s the beautiful and comfortable Bear Club and Lettermen's Lounge were built on the west side of the stadium. An upstairs locker room, extra meeting rooms and a new weight room were also added. An eight-year project to replace the old wooden seats with aluminum ones was completed in 1981.

The first game played in the 48,500-capacity stadium was Sept. 30, 1950, a 34-7 Baylor victory over the Houston Cougars, then an independent team. The first conference game was Oct. 21, 1950, a 26-12 win over Texas Tech. The largest crowd ever to see the Bears play at home was the '74 matchup with the Aggies when 51,200 fans stood in the aisles and sat near the end zones to watch A&M shut out Baylor, 20-0.

THE SOUTHWEST CONFERENCE

Organized in 1914, the Southwest Athletic Conference arose out of special needs of the larger colleges of the section to create an organization which would further the best interests of intercollegiate athletics.

Need of higher academic standards for student athletes and ethical standards and practices was a guideline for the representatives of seven institutions who convened in Dallas on May 6, 1914, for the purpose of founding an organization that would "enlarge and more closely relate the athletic activities of the larger institutions of the states represented." The meeting was held at the Oriental Hotel, site of the Baker Hotel today.

It was at the invitation of L. Theo Bellmont, then athletic director of The University of Texas, that the representatives from seven institutions convened in Dallas for the founding. Present for the drafting of the constitution and bylaws were C. A. Gantt and S. R. Spencer, Baylor University; J. C. Snipes, Southwestern University; John Corbett, Oklahoma A&M College; Robert J. Potts, Texas A&M College; T. W. Atkinson and J. F. Broussard, Louisiana State University; D. K. Sadler and R. J. Nelson, University of Arkansas; Dr. W. T. Mather and Bellmont, The University of Texas.

The founding fathers met for a second time at the Rice Hotel in Houston on December 8, 1914, and completed the organization. Representatives from the University of Oklahoma (Ben Owen) and Rice Institute (W. W. Watkin) were present for this meeting and their institutions became charter members along with Arkansas, Baylor, Southwestern, Oklahoma A&M, Texas A&M, and Texas. Rice was accepted provisionally.

Thus came into existence the Southwest Intercollegiate Athletic Conference, which two years later (May, 1916) was to be shortened to Southwest Athletic Conference. The league encompassed representatives of only three of the five states that were included in the original planning. LSU withdrew at the organizational meeting, while the University of Mississippi failed to follow through on early indications of interest.

Composed of eight members at the outset, the Conference functioned with as few as six (1916 and 1917), had eight members in 1920, and then had seven members for 30 years (1926-55). The admission of Texas Tech in 1956 brought the membership to eight again and the admission of the University of Houston in May, 1971 set it at the all-time high of nine.

Southwestern, Oklahoma and Phillips withdrew after brief periods and Oklahoma A&M took leave after a decade of membership. SMU joined in 1918 and TCU in 1923, last additions before Texas Tech's and Houston's admission.

Although edged in the final statistics, coach Bob Woodruff's Baylor Bears won the first bowl appearance in the school's history by defeating Wake Forest 20-7 in the second annual Dixie Bowl.

Wake Forest, although gaining 277 total yards compared to Baylor's 212, fell behind 20-0 at halftime to the upstart Bears and could never seriously threaten the 6-3-2 victors.

Bear defender George Sims recorded the game's first turnover when he intercepted a Deacon pass in their first possession and returned it 52 yards to the Wake Forest eight-yard line.

Sammie Pierce, who averaged 13.1 yards a carry against the 6-3 Deacons, scored the first touchdown from a yard out and Jerry Mangrum scored from the same distance in the second quarter to give Baylor a 13-0 lead.

The Bears increased the margin to 20-0 off a 68-yard drive, highlighted by a Pierce 40-yard romp. Quarterback Ray Painter, who had attempted only seven passes during the regular season, passed the final 12 yards to Harold Riley for the score. Hank Dickerson added his second PAT for the day.

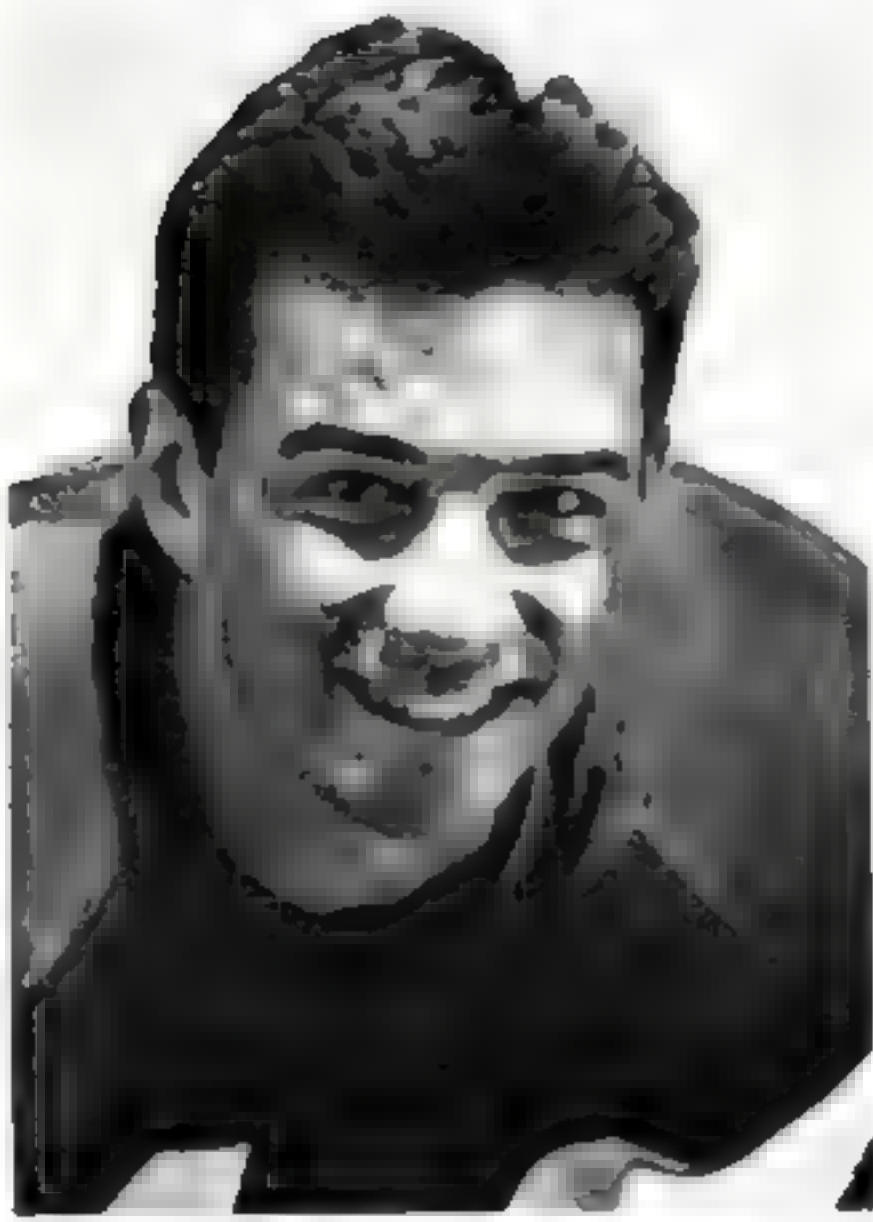

All-America quarterback Adrian Burk completed five passes for 69 yards, with two of the completions going to Riley. James Parker also hauled in a Burk aerial for 23 Baylor yards.

James Parker led the Baylor rushing attack with 43 yards on eight carries.

Pepper Rodgers kicked a 13-yard field goal with three minutes remaining to give Georgia Tech a 17-14 come-from-behind victory over Baylor in Miami's Orange Bowl contest.

Tech scored 10 fourth quarter points on Rodgers' effort and a Buck Martin touchdown reception, while holding Baylor scoreless to nip the 8-1-1 Bears.

Bear fullback Dick Parma scored the game's first touchdown from a yard out and C. O. Brocato added the PAT as Baylor led 7-0 in the first quarter.

After Tech knotted the score at 7, Baylor drove 63 yards, capped by Jerry Coody's four-yard scoring blast, to give the Bears a 14-7 halftime margin.

Coody was the team's leading ground gainer during the regular season, picking up 570 yards on 125 carries.

But coach Bobby Dodd's Tech squad used Rodgers and Martin's last quarter heroics to take their comeback win.

The Orange Bowl loss was Baylor's second of the 1951 season, the first coming at the hands of TCU 20-7.

Larry Isbell, who threw for 1,430 yards during the regular season, attempted 18 passes against Georgia Tech, completing eight for 93 yards. Parma was the contest's top ground gainer with 107 yards on 19 attempts.

All-America end Stanley Williams, who caught 37 regular season passes for six touchdowns, and Harold Riley each caught three Isbell passes. And defensive back Robert Reid, who established a school interception record with 11 regular season swipes, intercepted one pass from Tech quarterback Darrell Crawford.

Thirteenth-ranked Auburn scored five of the first six times they touched the football on their way to a 33-13 thrashing of Baylor in the 1955 Gator Bowl.

The Tigers, who established three Gator Bowl records and tied another in the rout, outgained Baylor 476 to 239 in total yardage.

Bear all-conference halfback Del Shofner fumbled the opening kickoff and the Tigers recovered on the Bear 27-yard line. Five plays later, Auburn scored the game's first touchdown and led 7-0.

Baylor tied the game by driving 63 yards in nine plays, the majority coming off a Billy Hooper pass to Charles Smith. Fullback Reuben Saage scored from a yard out and Smith kicked the conversion to tie the game at 7.

But before Baylor scored again, Auburn led 27-7.

Joe Childress, the game's leading yard gainer with 134 steps, scored his second touchdown of the game and Bob James added a 43-yard scoring jaunt to give Auburn a 21-7 halftime edge.

Tiger quarterback Bobby Freeman gave his squad a 27-7 lead on a six-yard romp.

All-America halfback L. G. (Long Gone) Dupre butted his way for a 38-yard scoring play to cut the lead to 27-13 midway through the third quarter. Dupre, the Bears' third leading rusher during the regular season behind Shofner and Allen Jones, finished his team's leading rusher against the Tigers with an amazing 69 yards.

Freeman completed the scoring with a four-yard fourth quarter pass to end Jimmy Long.

Hooper, an all-conference honoree, finished with nine completions in 15 attempts for 112 yards, with four of the aerials going to Smith.

Dupre returned three Auburn kickoffs for 85 yards as the Bears finished 7-4 for the season. Shug Jordon was the winning Auburn coach while George Sauer saw his Bears go down to defeat.

Reuben Saage recovered Tennessee All-America halfback Johnny Majors' fumble of a Del Shofner punt and Baylor then drove 15 yards for the winning touchdown in the Bears' 13-7 upset win over the undefeated Volunteers in the 23rd annual Sugar Bowl.

Bear quarterback Buddy Humphrey scored the winning touchdown on a one-yard sneak and Don Berry added the conversion for the 9-2 Bears of coach Sam Boyd.

Baylor scored first, despite being a one-touchdown underdog, when quarterback Bobby Jones threw a 12-yard scoring strike to Jerry Marcontel in the second quarter.

But Majors, who averaged 5.1 yards per rush, completed better than 60 percent of his passes and punted for a 42.3 yard average during the regular season, gave the Volunteers the lead in the third quarter by reaching pay dirt from a yard out. Sammy Burklow added the PAT and Tennessee led 7-6.

After the Volunteers held Baylor on their first possession of the fourth quarter, Shofner punted to the Tennessee eight. Majors returned the kick seven yards before coughing up the pigskin and Saage was there to make the big play for Baylor.

The contest matched the Southeastern Conference champion Vols against Baylor, who suffered a 7-6 loss to Texas Christian and a 19-13 setback to Texas A&M during the regular season.

Tennessee and coach Bowden Wyatt swept through a 10-game schedule in which they conquered five teams that participated in bowl games New Year's 1956. Only seven points separated Baylor from an unbeaten record.

Baylor halfback Del Shofner, running behind an offensive line headed by all-America Bill Glass, finished with 88 yards rushing in 14 carries and also intercepted one Volunteer aerial. For his play, Shofner, who scored ten touchdowns during the regular season, was voted the game's outstanding player.

Bobby Peters contributed 60 yards rushing for Baylor while Saage added 39 steps. Bear quarterbacks Humphrey, Bobby Jones and Doyle Traylor could only complete three passes, all going to end Morcontell.

Peters added 54 yards in kickoff runbacks.

Coach John Bridgers' pro-modeled Spread-T Baylor offense could muster only two touchdowns against a swarming Florida defense as the Gators took a 13-12 decision in the 16th annual Gator Bowl.

On the Bears' first possession of the second quarter, a pitchout from quarterback Ronnie Stanley to all-American halfback Ronnie Bull was mishandled and Florida's Chet Collins recovered on the Baylor 20-yard line.

It took the Gators five plays to score and fullback Don Goodman plunged the final three for the tally. Bill Cash added the conversion and Florida led 7-0 with 8:42 remaining in the half.

Coach Ray Graves' squad extended their lead to 13-0 later in the same stanza when Gator defender Ronnie Slack recovered a Stanley fumble in the end zone for the quick six points.

Florida traveled 20 yards for their two scores while Baylor went 139 steps for the same results.

Down 13-0 in the fourth quarter, the Bears, who finished 8-3, put forth a furious surge that resulted in 12 points.

On the first play of the quarter, quarterback Bobby Ply threw 11 yards to Ronnie Goodwin for the score, ending a 71-yard, nine-play drive.

With 1:01 remaining, Ply, who threw for four touchdowns during the regular season, and Stanley put the Bears in position to score with three completed aerials. Bull, Baylor's leading rusher and scorer, went the final three steps for the score. However, the two-point try from Ply to Goodwin was juggled and dropped and the Gators had their hard-earned victory.

Ply established a new Gator Bowl record with 13 completions and teamed with Goodwin (seven receptions) for five.

Eight Utah State turnovers and outstanding performances by halfback Ronnie Bull and sophomore quarterback Don Trull led Baylor to a 24-9 victory over Utah State in the inaugural Gotham Bowl at the Polo Grounds.

Baylor recovered their first of five Utah fumbles and went 45 yards to score the first time it had the ball. Bull, who had 86 total yards and was voted the game's Most Valuable Player, scooted 15 yards for the initial Bear touchdown.

In the second quarter, Carl Choate kicked a 22-yard field goal for Baylor and Trull added the third score on a quarterback sneak covering two yards. Trull, who passed for 116 yards against the nation's number two defensive unit, connected with Ted Plumb for a 38-yard fourth quarter touchdown pass to end Baylor's scoring.

Choate was perfect in three extra point tries and Bull and Plumb combined for seven pass receptions.

Utah State, who entered the game with a 9-0-1 mark and a share of the Skyline Conference championship, was favored to beat coach John Bridgers' Bears, who finished with a 5-5 regular season slate.

Coached by John Ralston, the Aggies featured three standouts who later starred in professional football: all-American tackle Merlin Olsen, quarterback Bill Munson and place-kicker Jim Turner.

Trull, voted the contest's most outstanding back, completed 26 of 37 passes for 255 yards and both Baylor touchdowns. End James Ingram, the game's most outstanding lineman, caught 11 of Trull's passes for 163 yards and seven- and 13-yard scoring strikes.

The Bears totally dominated their opponent, running 80 plays to LSU's 39 and racking up 394 total yards compared to the Tigers' 108.

Dalton Hoffman was the leading rusher for both teams, gaining 70 yards for Baylor, who ended the season 8-3. Tom Davies kicked both Baylor conversions.

The Tigers scored first, moving 43 yards in seven plays in the first quarter. Bill Soefker went the final eight steps for LSU and the Tigers led 7-0.

Baylor scored their first touchdown with 13:10 remaining as Trull hit Ingram for the seven-yard strike. The Bears moved 68 yards in ten plays for the score with Trull completing three passes.

On their next possession, the Bears drove 70 yards in 11 plays for the winning score. Four completed Trull attempts, two each to Lawrence Elkins and Ingram, highlighted the scoring march.

Quarterback Tom Shuman established Cotton Bowl records in passing and total offense and flanker Jimmy Cefalo did likewise in receiving yards in Penn State's 41-20 decision over Baylor in the 1975 classic.

For the fifth time in their 10-victory 1974 season, the Lions came from behind to win. The victory spoiled Baylor's first appearance in the Dallas event, coming on the heels of the school's first Southwest Conference championship since 1924.

Baylor captured a 7-0 first quarter lead with Steve Beaird's four-yard blast. Bubba Hicks added the PAT conversion with 44 seconds remaining in the opening quarter.

A Matt Bahr 25-yard field goal closed the Bears' lead to 7-3 at intermission.

After the Nittany Lions took their first lead off Tom Donchez' one-yard blast, all-conference quarterback Neal Jeffrey put Baylor ahead 14-10 with a 35-yard scoring toss to end Ricky Thompson.

Three touchdowns, two by Cefalo and one by Shuman, and another Bahr field goal gave Penn State a 34-14 lead with 3:32 remaining. But the Bears, who finished 8-4 for the year, refused to fold and with 19 seconds left reserve quarterback Mark Jackson teamed with Thompson for a 11-yard touchdown.

On the ensuing kickoff, Hicks tried an onside kick only to watch Lion Joe Jackson scoop up the loose pigskin and race 50 yards for another Penn State score with two seconds left.

Baylor junior safety Ken Quesenberry, who had 12 tackles and one interception, was named the game's most Outstanding Defensive Player. Defensive back Tom Turnipseede added 11 tackles for the Bears and also recovered a Donchez fumble.

Senior Phillip Kent, one of eight Baylor all-conference selections playing in the game, returned three Nittany Lion kickoffs for 58 yards.

Quarterbacks Mike Brannan and Mickey Elam passed for 86 yards each to spark the Baylor Bears to a 24-18 upset win over the 17th-ranked Clemson Tigers in Atlanta's Fulton County Stadium.

The win vaulted coach Grant Teaff's Bears into 14th place on the Associated Press' final college football poll. The 8-4 Bruins were beaten during the regular season by Alabama, Houston, Arkansas and Texas, all members of the top ten.

With the Tigers leading 7-0, Brannan teamed with Bo Taylor on a three-yard touchdown toss to knot the score following Robert Bledsoe's extra point. The tally came eight plays after Baylor recorded its first of two blocked punts against Clemson kicker David Sims.

The Bears forged ahead 14-7 with 12:20 left in the second quarter when Brannan, voted the game's Most Valuable Offensive Player, connected with Robert Holt for a 24-yard scoring strike.

Baylor's final ten points resulted from a Bledsoe 29-yard field goal and a scoring pass from Elam to Raymond Cockrell that covered seven yards.

Senior defensive end Andrew Melontree, voted the game's Most Valuable Defensive Player, and linebackers Doak Field and all-America Mike Singletary led a Baylor defense that held an 8-3 Clemson offensive unit to 67 yards rushing.

Coach Paul "Bear" Bryant's Alabama Crimson Tide completely dominated Baylor in the 45th annual Cotton Bowl on their way to a 30-2 rout.

The Bears, ranked as high as sixth place in the nation during the regular season, closed an outstanding 10-2 and Southwest Conference championship campaign by dropping their second Cotton Bowl game in as many tries.

Alabama, who closed a 10-2 year with the win, took advantage of four Baylor fumbles and also intercepted three Bear passes to roll up a 339-158 total yardage advantage.

Three Peter Kim field goals and scoring runs by Major Ogilvie, Don Jacobs and Mark Nix put the Crimson Tide on the scoreboard while a Tommy Tabor first quarter safety made the only points the Bears could muster.

The league-leading Baylor offense netted 54 yards rushing, 18 by quarterback Jay Jeffrey. SWC champion runner Walter Abercrombie was held to nine yards on eight attempts by the Alabama defense.

Fullback Dennis Gentry was the leading pass receiver in the game, grabbing five receptions while Robert Holt added three others. Also, Gerald McNeil accumulated 100 yards in kickoff and punt returns for the Bears.

Tabor and all-conference linebacker Doak Field led the Baylor defensive charge with 15 stops each. All-America middle linebacker Mike Singletary, all-league safety Vann McElroy and linebacker Lester Ward each had 12 tackles for Baylor.

Baylor, following the New Year's Day defeat, dropped to 14th place in the final football poll.

Oklahoma State raced to a 21-0 lead in the first half before finally holding off Baylor, 24-14 in the 25th Annual Bluebonnet Bowl at the Astrodome.

Aided by a roughing-the-passer call and fine running by Alfred Anderson and Broderick Sargent, Baylor drove 87 yards in eight plays for its first score. Cody Carlson hit all-American Gerald McNeil with a 12-yard TD strike.

Oklahoma State scored its final points of the night on a 44-yard field goal by Larry Roach after Jim Mueller's onside kick attempt failed. The Cowboys drove from midfield to Baylor's 27-yard line before settling for the field goal with 21 seconds left in the half.

Rusty Hilger missed the second half after being knocked out by BU linebacker Robert Watters and was replaced by reserve quarterback Ike Jackson. Jackson moved OSU to the Baylor five early in the third quarter but Thomas Everett, Aaron Grant and Kevin Hancock led one of BU's best defensive stands of the year. Roach's field goal attempt was blocked by Ervin Randle.

Both of Baylor's interceptions came in the last period; Tom Muecke and Cody Carlson threw one each as the Bears hurried to catch up. McNeil took a 28-yard halfback option pass from Anderson and Marty Jimmerson kicked the PAT to cut OSU's lead to 10 with 5:14 remaining. Baylor's hopes were dashed for good when Muecke was trapped for a loss of five on fourth down with 1:10 showing on the OSU 45.

Hancock led Baylor defensively with 14 tackles while Paul Mergenhagen added 10.

Anderson was selected Baylor's MVP after rushing for 103 yards on 21 carries. McNeil's 163 yards receiving tied the individual bowl record set 20 years earlier by another Bear—James Ingram.

Baylor fashioned one of its finest bowl efforts ever in beating LSU 21-7 in the 27th Liberty Bowl Football Classic.

The Bears dominated virtually every phase of the game. They gained 489 yards total offense to the Tigers' 192. Baylor led in first downs (26-9), rushing yards (215-92), passing yards (274-101), yards per snap (5.4-3.3) and time of possession (37:14-22:46).

The Baylor defense played so well the second half LSU gained only 72 yards on 26 plays. In the third quarter the Tigers had 11 yards total offense on nine snaps.

LSU got on the board first with a 79-yard Norman Jefferson punt return. That play, a Liberty Bowl record, came with 5:17 remaining in the first quarter and turned out to be LSU's only fireworks of the cool, clear evening.

The Bears took the ensuing kickoff and marched 80 yards in seven plays to knot the score at seven. On a third and goal from the five, quarterback Cody Carlson hit a diving Matt Clark in the corner of the end zone. Terry Syler added the extra point.

Syler made it 10-7 with his 29-yard field goal with 5:36 left in the first half and upped the score to 13-7 with a 35-yarder early in the third quarter.

Baylor's final tally came when Carlson connected with John Simpson on a 15-yard scoring strike with 10:42 left to play. The junior quarterback, who was named the game's Most Valuable Player, then hit Clark for a two-point conversion, making the final score 21-7.

In addition to Carlson, Simpson was named Baylor's Outstanding Offensive Player on the strength of his three catches for 117 yards, including a 59-yarder which helped set up a Syler field goal. Cornerback Ron Francis, who had an interception, fumble recovery and six tackles was named Baylor's Outstanding Defensive Player.

BAYLOR-21 Colorado-9

Baylor's defense, led by Most Valuable Player Ray Berry, stymied Colorado's wishbone offense to key a 21-9 Bear win in the 28th Bluebonnet Bowl.

The Bears limited the Big Eight runner-up Buffaloes to only 194 total net yards, 83 of which came on the ground. Berry, called a "one man wrecking crew" by sportswriters after the game, accounted for 12 tackles, three of which resulted in 12 yards in losses.

With the win Baylor finished the season 9-3 and ranked as the Southwest Conference's highest team in the national polls. Sports Illustrated listed the Bears in the No. 8 spot while the Associated Press ranked BU No. 12 and the United Press International No. 13.

Colorado found out early what kind of day it would be for the Baylor defensive squad. They managed only one field goal and 77 yards total offense in their first eight possessions through nearly three quarters of play. Meanwhile, Baylor's offense did what it had to do, scoring a touchdown in each of those first three quarters.

The first Bear TD capped a 12-play, 64-yard drive in the first quarter. The drive was kept alive by a CU offsidess penalty when Baylor was in punt formation. The highlight play was a 22-yard run off tackle by Derrick McAdoo down to the Colorado five. Four plays later, McAdoo, a senior from Houston, dove over from the one on a fourth-down play.

Baylor next hit pay dirt midway through the second stanza. It took only three plays to go eight yards after Keith Rose recovered an errant Colorado pitch. Quarterback Cody Carlson hit flanker Darnell Chase in the corner of the end zone on a two-yard scoring strike.

Another turnover gobbled up by the BU defense set up Baylor's final score. Robert Watters sacked the Buff QB and Berry recovered on the 21. It took only four plays, one of which was a 17-yard shot from Carlson to Matt Clark, before McAdoo tied the BU school record with two TDs in a bowl game.

The rest of the way it was just a matter of letting the defense do its thing while younger players got valuable experience. Carlson saw no action in the fourth quarter because of a bruised shoulder.

In addition to scoring twice McAdoo led Bear rushers with 36 yards. Jeffrey Murray was right behind with 35. Carlson completed 11 of 22 passes for 136 yards and Clark was the biggest recipient. He caught three for 58 steps.
